A Message From Your Potentate

Greetings from your Potentate,

It seems like I just finished writing my last message to you! Time is going by quickly and it is time once again to write another message. You've heard time flies when you are having fun. Well, we must be having a lot of fun because this year is flying by. 2019 will be halfway over by the time you get this issue of the FEZtivities. The best half of the year is yet to come!

Every day brings new tasks and challenges. While most are rewarding, there are some that are challenging. But we work through them and make the best of everything. Some of our success's so far are:

- The Easter Egg Hunt - We had great turn out for the first year. We had about 90 children and 200 adults in attendance. My thanks to all that attended and the committee that helped put this event together. All in all, a great family event, that will hopefully continue in future years.

- Norfolk Circus - This year, the circus was held as an outdoor circus at the Pierce County Fairgrounds in Pierce, Nebraska. Even though we had many issues to get through, the circus went on. The weather had moments of being windy and cold, but luckily for us, no significant rain. My hats off to the Northeast Shrine Club for working hard to make this circus happen after its absence last year. Thank you to everyone who helped with all our various circuses in Columbus, Lincoln and Norfolk.

- Shrine Bowl - What a fantastic event, with many activities during the week; starting with Beyond the Field, where the players got to meet and interact with many of the patients and learn what this game is truly about. That was followed by many practices that led up to the parade and the 61st Nebraska Shrine Bowl Game. The game was well-played and even though the North Team ended the game with more points, the true winners are the children we helped by putting on this event! All of the events during the week were well-attended by the Sesostris Nobility and their ladies. A great job to all that made this a truly great and rewarding event.

- Onions - This is a fundraiser that the Shrine has done for a number of years and usually works very smoothly. This year didn't work out that way for various reasons. Yes, they were supposed to be early but, wound up being late. Thanks to the committee for working through all the issues. Thank you to everyone that sold onions and for being patient until they were delivered, even though it was over Memorial Day weekend. Great job everyone!

- Give to Lincoln Day - This was a new event/fundraiser for Sesostris Shrine. We had 16 donors that gave a total of \$1,132.00 to the Sesostris Shrine Transportation Fund. For this being our first year, it was very successful. Our main reason for getting involved was to get more people aware of Sesostris Shrine and our philanthropy.

With every success we have, every once in a while, we've had a disappointment or two. Due to a lack of candidates, we had to cancel the Spring Ceremonial. We worked with some of the candidates that were interested in joining this spring, and we were able to short-form in two new Shriners at the May Stated Meeting.

I don't understand, with a membership of 1,000 plus Nobles, why we can't recruit enough members to have two ceremonials during the year. If every club and unit would bring in one new Shriner we would have 38 candidates. That one candidate will help your club and unit and the Shrine with all the fundraisers, selling tickets, etc., that we have throughout the year. That one candidate might even be a future leader/officer of your club and unit and who knows, maybe even a future Potentate. So, I challenge every Noble to please keep trying to find candidates so that we will have a great Fall Ceremonial!

Parade season has begun and I look forward to seeing many of you at the parades or along the parade routes. Additional upcoming events include CSSA, August 22-24 in Sioux City, IA. More information is available in this issue of the FEZtivities. The Sportsman's Raffle will be kicking off soon. Plan on attending the dinner on July 26 to pick up your tickets and learn about this year's raffle.

Thank you to all of you and your families for being a part of Sesostris Shrine!

Iron Nobles

Greetings Nobles,

The Iron Nobles were off to an active start this spring/summer starting with the Abate Bike Show, Shrine Unplugged event, Shrine Circus, Ride Like a Pro, MDA Poker Run at Frontier, cooking pancakes, and the ride to Southlake Rehab to visit and show bikes to the residents. We also did the cooking for Shrine Bowl players at Wesleyan, and a Ride to Burwell with the Grand Master. On our May ride to Sioux Falls we were met by the Sioux Falls El Riad Shriners and joined by members of the Widow Sons for a tour from Sioux City to Sioux Falls. On scenic two lanes, we covered just under

700 miles on that trip. Then it was off to Kearney and the Shrine Bowl Parade.

We look forward to the Shrine Stock, numerous parades, Fez Walk, dinner /meeting rides, and the ride to CSSA competition in Sioux City. Nobles, ladies and friends, please join us for fun, food, vendors, and music at the Shrine Stock on August 17.

Give to Lincoln Day

For the first time ever, Sesostris Shrine participated in the the Give to Lincoln Day. Give to Lincoln Day is a 24-hour event that encourages people to contribute to Lincoln and Lancaster County nonprofit organizations. Give to Lincoln Day is co-ordinated by the Lincoln Community Foundation, in partnership with local nonprofit organizations. People can actually donate all month long, but the big day of giving was May 30. As an added incentive, there are matching funds available which are added to donations. This year, \$450,000 dollars were available in matching funds. When was all said and done, the match ratio was roughly 10 percent (9.5%).

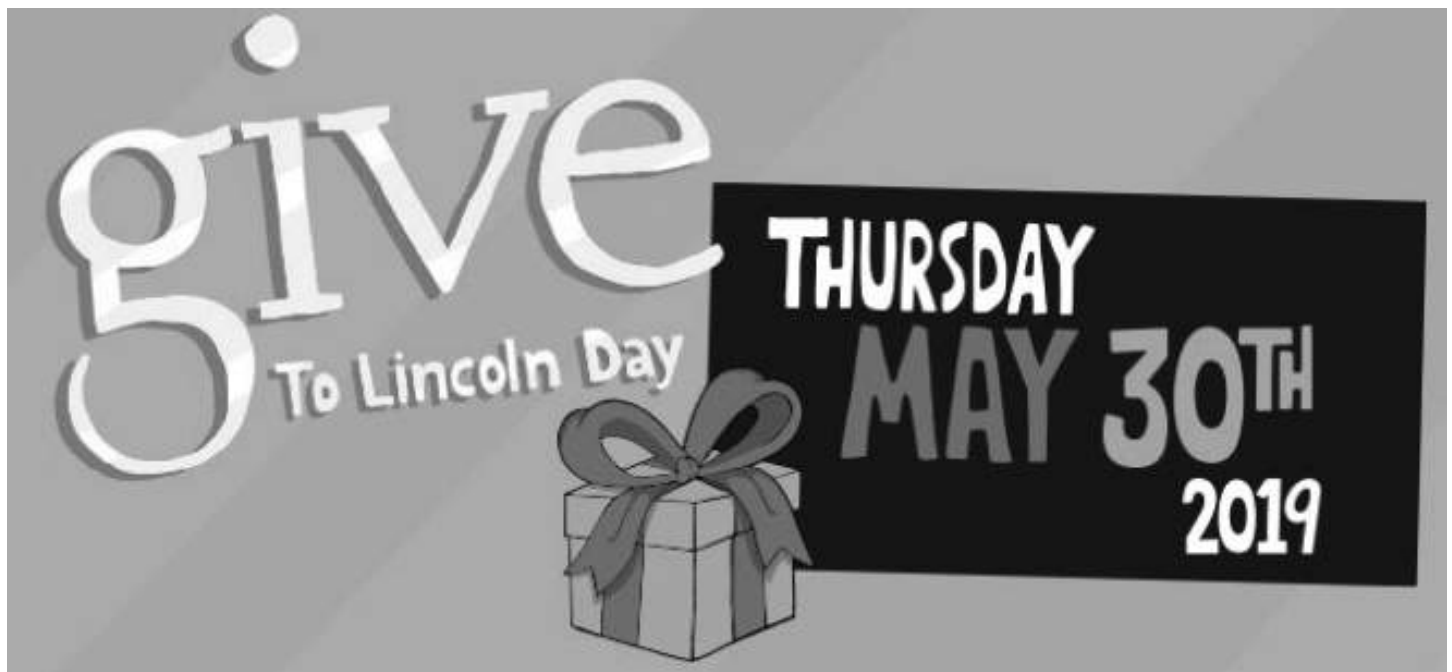

Four-hundred and thirty-nine non-profit organizations participated in this year's Give to Lincoln Day and over \$5.5 million dollars was raised to benefit the works of these non-profit organizations. To learn more about the Give to Lincoln Day program go to: www.givetolincoln.com. To see our Sesostris Shrine Hospital Transportation Fund webpage for this year go to: www.givetolincoln.com/nonprofits/sesostris-

shrine-hospital-transportation-fund.

Through the hard work of Ill. Sir Richard Eggerling, Ill. Sir Drew Borske P.P., Noble Jeff Eggerling, and the Sesostris Office staff, Sesostris was able to get the Sesostris Shrine Hospital Transportation Fund registered for the Give to Lincoln event. Both a webpage and marketing materials were created to promote our Transportation Fund. For the first time out of the gate and with a large learning curve on how the event works, Sesostris should be very proud of the results obtained. The Sesostris Shrine Hospital Transportation Fund received \$532.00 in check/cash donations, plus \$600.00 through the online website credit card portal, and \$107.42 in matching funds, for a grand total of \$1,239.42.

Thank you to everyone who donated and worked on this new, exciting program which helps promote what Sesostris Shrine does for children in our community!

Yours in the Faith,
Drew Borske P.P.

CORVETTE CLUB

by Don Woodburn, Secretary

Update on Leadership

We were saddened to hear about the passing of Larry Lewis. He served the Corvettes well and will be very missed.

Parades:

The Corvettes are out of storage and ready to roll, first parade is the awesome Shrine Bowl parade in Kearney. We hope for a good turnout for the event.

Social:

The unit has had a couple dinner events and a couple meetings. Nothing new to report, but we're glad to be out of winter mode.

Snow birds have returned and unfortunately, they left the warm weather in Arizona. Here it is May 28 as I jot these missives and it was about 63° today.

Have a great summer in support of Sesostris.

Remember to always check your lug nuts:))

Special Potentate Pin/Tie Tack

When I ordered my Potentate's pins, I had a special pin designed and a limited supply ordered. This pin is a small scale design of a tool used in my profession as a tool maker. This tool is called a "micrometer". It is a very accurate measuring device measuring to .0001 "one ten thousands" of an inch. — That's taking a human hair, which measures approximately .003 of an inch in \emptyset , and splitting that hair \emptyset 30 times.

My goal of ordering this pin/tie tack was for a small fundraiser to help fund a new project called the Legacy Wall. I offer this pin/tie tack for a suggested donation of \$3.00 to be used totally for funding the Legacy Wall. See me if you are interested.

THE ALPHAS

Meet the new unit, THE ALPHAS. This unit has been formed by the Membership Committee to involve new Nobles, ladies and their families with being in the Shrine family. THE ALPHAS are sponsoring the FAC this year as a place for Shriners to bring their non-Shriner friends to enjoy great food, fun, games and fellowship with their families.

Last month, we had 94 people at the FAC. We celebrate birthdays and have fun. Watch for more info on the Sesostris website, Facebook and right here in the FEZivities. We also have permission to walk the parades this year (Ladies included), promoting the Shrine Health Care system, being a Shriner and all around having fun with hand-outs and items for kids.

A new Noble of three years or less is a member of THE ALPHAS and has voting rights. Other Sesostris Shriners can join in the fun but cannot be an officer or have voting rights to direct the unit.

THE ALPHAS Nobles can belong to other units during their time in this unit. Instead of having our own fundraising, we are supporting other units in their efforts, giving us a chance to meet other units and friends.

THE ALPHAS have The Eastern Star/Masonic Home for Kids and The Masonic Home in Plattsmouth as our philanthropy, besides our own Shrine kids.

The ALHAS recently made and delivered Easter Baskets to the Home for Kids and are working on getting supplies to make tie dyed t-shirts for their 4-H Club. For more info Please contact Steve or Carol Busboom 402-560-3582

Welcome to our two new Nobles that were received into the Shrine at the May Stated meeting.

Introducing (left) Robert Burkett. His lady is Destiny. Rob is a brother from Hickman Lodge #256 and looking forward joining in the fun and activities.

Introducing (3rd from the Left) Cedrick Baker. His lady sir Rebecca. Cedrick is a Brother from Hickman Lodge # 256. Cedrick is interested in the Road Runners and activities with our Kids.

Several Nobles, their ladies and family members donated items and their time to make Easter baskets for the Masonic Home for Children. The baskets were delivered to the home in time for Easter.

MEMBERSHIP MESSAGE

Greetings Nobles and Ladies!!

The "ties-that-bind"...most of us have heard the saying before. And we are bound with those fraternal ties. Without these "ties," what do we have?

From all of us on the Membership team, we thank the Nobility for your continued efforts and support! As we have mentioned in recent articles, your help in bringing along one brother this year, to cross the sands is tantamount to the Temple's success in achieving our Membership goal for this year.

The Friday Afternoon Club (FAC) and Dine at The Shrine are great ways to introduce your Non-Shrine friends and family to the brotherhood and the philanthropy of helping our Shrine patients. Check the Shrine calendar or FEZtivities for dates and times.

For those new Nobles who have yet to engage themselves with either a Shrine unit or club, we would sincerely encourage you to join The Alphas. This unit is for new Nobles and their families. The unity, camaraderie, brotherhood and friendships fostered through this unit are things that will last for a lifetime. If you have questions about any particular club or unit – reach out and contact any of us on the Membership Team. For the most part, any Shriner in Sesostris can help guide you in your quest to find a Shrine club or unit best suited to your interests and needs. You'll be glad you did!

Your 2019 Membership Committee

Do you attend your Blue Lodge regularly (or would you like to)? Would you like to stand up in your Blue Lodge and make Shrine announcements and presentations? Then you are exactly who we are looking for!!

*You will be able to present the Potentate's congratulatory certificate and package to newly raised Master Masons. If interested, please contact me directly. **All you need to do to sign up is send the following information: Your name, phone number, email address and the Lodge name and number to which you propose to be an Ambassador. CHANGE IS GOOD

Many of you over the years have come to know that I have two sayings that I use often. The first one is if you always do what you've always done, you will always get what you have always got. Meaning, change should be a good thing. To many people, however, change is a four-letter word.

In this edition of the FEZtivities, you will find the announcement that the Board of Governors for Twin Cities has completed and signed a deal to move the current hospital to a new location. This has been in the works for some time now and I'm happy to report that we are moving to the next phase which is designing and building what our new place will look like. I can tell you that it will be smaller, but the offerings will not change, other than on-sight surgeries. Those will continue to be done at Gillette and other locations as determined by the patient's needs.

I had the opportunity to attend a conference of the Boards of four of our other hospitals (Lexington, Chicago, St. Louis and Twin Cities) in Chicago just before Memorial Day weekend. At this meeting, we had an intense discussion regarding the future of our Shrine healthcare system and how we need to change our current business model. We looked at lots of numbers including the number of inpatient surgeries, outpatient surgeries, clinic visits and of course, all the financial costs associated with everything we do.

You have heard me mention at our Stated Meetings that when Twin Cities opened, our average inpatient stay was 104 days. When we made the decision to change our business model to that of a clinic, our average stay was less than a half day. Financially, it was the prudent change to make. It was a hard change to make for the Nobility, especially for the Nobles in the Twin Cities. I was reminded that when I was appointed to the Divan in 2003, there was legislation proposed at that time to address the decline in inpatient activity then. Now in 2019, we're making the needed changes.

At the conference in Chicago, we looked at the overall hospital system and I'm sure that you will not be surprised to learn that Twin Cities is not unique to declining numbers. It is system wide. While this may sound alarming, it is quite exciting and heartwarming. Exciting because this shows that we have grown in our ability and skills to take care

of children better and more quickly. Heartwarming because we still have a dramatic impact on the lives of the kids we care for.

The challenge that we (Shriners Hospital for Children) are faced with now, is how do we best continue to grow in the care that we give? In the US, we have 20 hospitals (monuments) that are being under-utilized and are expensive to maintain and operate (no pun intended). We need to look at other business models that will allow us to continue providing care to our children for generations to come.

Much like the Twin Cities system becoming a clinic, Lexington has moved and is now an Ambulatory Surgical Center with no overnight stays. Other models might be to continue as a hospital or to join another local hospital and share space with them like the Cincinnati Hospital has recently done. It is time for change.

Focusing on the Twin Cities now, I am excited to mention that we are currently in negotiations with a children's hospital in Des Moines that wants us to become part of the services that they can offer within their community. We are currently offering POPs clinics at Boys Town in Omaha and will soon be offering off-premise clinics there, too. We're looking for a similar partnership or collaboration in the Dakotas. We want to be able to reach out to more kids in more locations. Can you imagine Sesostris patients going to Omaha for a clinic checkup instead of driving to Minneapolis? Ask a Road Runner how long the trip is to Minneapolis, not to mention the travel expenses associated with it.

Even though we are changing to a clinic model, there is still plenty of need for support from the Nobility. We will still need Road Runners, Clowns and other volunteers to help. We will still need donors to help fund new things for the clinics and we will still offer the camps and other activities for the kids. For the first time, there will be a local camp in July so our kids and their families don't have to take time off from work to make the trip to Minneapolis for a camp.

This is an exciting time to be a Shriner. We are evolving to meet the changing times. We are focusing on the future. We are reaching out to help more kids in more locations.

Change is good.

Nobles and Friends,

We officially have a new home! After a great deal of planning and searching, we will be moving to a new building in the City Place Development in Woodbury, Minnesota, an eastern suburb of St. Paul, Minnesota, by the summer of 2020. This move is a step in our transition to an outpatient clinic model. Construction of our new site will begin later this summer and continue into the middle of next year. The current site will be sold as the transition to the new site is completed.

Ease of highway access, proximity to other local area amenities, first floor access and the opportunity to design and build out space incorporating the knowledge gained from 96 years of service, were all elements that influenced the selection of the site and the timing of this transition. Developing a new site is a special opportunity to create a patient-centered environment for the modern era. The new site will continue to serve children from a seven-state service area.

Shriners Healthcare for Children's new facility will provide a wide range of services for children with orthopaedic conditions including:

- **Clinic Services:** providing a family-centered, team approach to care. Patients will see specialty physicians, nurses, therapists and other pediatric-trained specialists in an environment designed for children.
- **Child Life:** providing families with support during appointments through play and anxiety coping activities. The Child Life program also offers over twenty (20) camps and programs to meet the physical and emotional needs of children with orthopaedic conditions.
- **Radiology:** providing standard x-ray service as well as EOS, which provides 3-D, full-body imaging with up to 85 percent lower radiation.
- **Rehabilitation:** providing physical and occupational therapy to help children build skills, strength and mobility needed for everyday activities.
 - **Scoliosis Specific Exercise** – a specialized physical therapy program that uses exercises, stretching and breathing to improve a patient's scoliotic posture.
- **Orthotics and Prosthetics:** offering orthotic and prosthetic services specifically for children, including upper and lower extremity prosthetic care, scoliosis bracing and a broad spectrum of pediatric orthotic services.
- **Telehealth:** including telehealth capabilities that enable video connection to other remote sites across the region, creating more opportunities for access to children in need of pediatric orthopaedic services. This capability enhances Shriners Hospitals for Children's reputation as the largest network of specialized pediatric orthopaedic and burn telehealth sites in the world.
- **Surgery Services:** All surgeries will be performed by Shriners Healthcare for Children — Twin Cities physicians at Gillette Children's Specialty Healthcare in St. Paul, Minnesota, or other pediatric hospitals.

Shriners Healthcare
for Children™ — Twin Cities

Concurrently, we continue our planning efforts to expand our presence throughout our service area. This expansion will take on a variety of forms that could include new affiliations with other healthcare organizations and individual providers, expanding the use of our telehealth technologies and establishing physical clinics, just as a few examples. We see this as an exciting opportunity that supports the Shriners Hospitals for Children's system initiative of "Reaching More Kids in More Places."

We ask for your continued help and support as these changes unfold. We commit to communicating information to all of the Temples supporting Shriners Healthcare for Children — Twin Cities. On behalf of the Shriners Healthcare for Children — Twin Cities Board of Governors, we thank you and your nobility for your support!

Please do not hesitate to contact me, or your local board members, with any questions or concerns.

Fraternally,

- SESOSTRIS CRUIS'N CLASSICS -

Jeff Eggerling, Secretary

The past few months were busy for the Shrine and the Cruis'n Classics. Members helped out at the Shrine Bowl, sold onions and attended parades. In the middle of June the unit will be going on the Annual Mystery Cruise. I will fill you in on where and what we did in the next FEZtivities article. I hear we were going over there!

Our Don & Millie's nights have been great evenings. The weather hasn't been great, but the Potentate hasn't cancelled any of the evenings either. If the weather ever warms up, we will hopefully see some more classic cars there. A portion of the proceeds, those indicating they are with the Shrine, will be donated back to the unit. So, mark your calendars and come out every 4th Wednesday of the month. Thank you to all the Corvette and Mustang members who have been attending our Don and Millie's nights. We hope more clubs and units will come out and show their support. This event is open to all Shrine members, family and friends to enjoy the relaxing evening.

On Sunday, July 28, the Cruis'n Classics will be holding their annual Auto Show. Please come out and see all the cars, trucks and motorcycles. Any non-Cruis'n Classics members can participate in the shows, so, bring out your Corvettes, Mustangs, and motorcycles, or basically anything with an engine. We do have a non-judged class this year, where you can show your entry off and not compete for a trophy. Get a registration from the Cruis'n Classics today.

A great big thank you to all the members who helped with all of the above events and help make the Cruis'n Classics one of the best units in Sesostris. Until next time Happy Cruis'n over there...where ever that is!

SESOSTRIS BUGEATERS UNIT

Greetings Nobles,

At the May Stated Meeting Illustrious Sir Richard announced the formation of three new units. This is awesome. These new units surely represent new growth, interest, and vitality. I'm the organizer for the new Bugeaters Unit. We are going to have a blast sharing our enthusiasm and excitement around Husker football, volleyball, basketball, and any other sport which Nobles and their ladies enjoy and want us to follow.

I invite Nobles to join me in getting the Bugeaters up and running. If you want to serve on our Organization Planning Committee, let me know. Also, if you want to take an active, ongoing role then come on! New Nobles, experienced Nobles, and past potentates alike are all welcome. To be successful the Bugeaters will need active and engaged leadership.

Here are a few of my thoughts about our Bugeaters Unit. A major activity would be to hold game watch parties. Parties can be at the Shrine Center or another venue. The Shrine Center is large, of course, and a shining gem of a facility for us. However, the center may sometimes be reserved for other activities, so we will need to be flexible. We can provide shuttle service for Nobles going to and from home games. We can schedule road trips and attend away games as a group. We can have banquets to kick off certain seasons. For example, I would think it appropriate to have a banquet in middle August to kick off the football season and invite a celebrity former player to address our group. I'm sure other Nobles have ideas for the Bugeaters as well.

Let's do this! Be looking for future announcements in FEZtivities, by mail, email, etc. You may contact me by phone or text at 402-440-0210 or email me at kenrouch@msn.com. Go Big Red!!

Naphis Temple No. 66

Daughters of the Nile

Jeanne Moeller, Queen
Jennifer Olsen, Princess Badoura

Greetings from Naphis Temple No. 66

Queen Teresa's royal coach is on the move. On April 28, the line officers, Queen Teresa, Pr. Royal Jennifer, Pr. Tirzah Cathy, Pr. Badoura Tonya, and Junior Past Queen Sharon visited the Northeast Nile Club. We installed Susan Craft as their president and had a wonderful lunch with several ladies of the club. Next, we celebrated the Kentucky Derby with a great party at the Shrine Center on May 5. On May 18, we visited our members to the west, the Meridian Club, where we had an outstanding lunch and social time with the members at ChancesR. On May 19, the Bridge Club hosted the officers for a marvelous luncheon before their bridge marathon began. At the May 20 Stated Session we were able to install Pr. Kiki Willis as Pr. Zulieka.

June found Queen Teresa riding in the Shrine Bowl Parade representing Naphis Temple and attending the Shrine Bowl Game. Next, we attended the annual Supreme Session in Reno, Nevada. What a wonderful time we had, installing our new Supreme Officers. Upon our return, we held the second Quarter Auction of Queen Teresa's year. Great prizes and loads of fun. We held our After Supreme Dinner on June 24 prior to our Stated Meeting and the food was fabulous. Thank you Patrol for providing the evening's nourishment. We ended our June ride with our first BUNCO of the year. Loads of laughs and fun.

Once again, we are selling All Temple Raffle tickets. This year's raffle is for two (2) tickets to the Iowa vs Nebraska game on November 29 as well as a \$50 Visa gift card. Just \$1.00 per ticket or \$5.00 for six (6) tickets. The winner will be drawn at the Supreme Queen Banquet on November 8. Some upcoming events to add to your calendars are:

July 21 – Salt Dogs Tailgate Party
August 10 – Annual Luau
August 30 – Quarter Auction
September 14 – Membership Breakfast
September 29 – Nile Breakfast fundraiser

As you can see, Naphis Temple No. 66 is busy "leaving a little sparkle everywhere we go" as we work for the Shrine kids.

We are definitely off to a great start. Giving thanks to Sesostris Shrine for their continued support of our Temple and its activities...

In Nile Love,
Cathy Schultz
Princess Tirzah

Mr. Steve Busboom, Membership Chairman

Roca, NE 68430

Dear Members of Sesostris Shrine,

Thank you for your donation of Easter Baskets for each of the children. You have supplied the youth with a very welcomed Easter treat.

The children will certainly put the hammers to good use with the numerous Wood Projects that they are working on for the 4-H fairs.

Because our youth come in all shapes and sizes, we will be able to provide them with appropriate clothing, therefore thank you for the bags of clothing that you also donated

No goods or services were provided in consideration of this contribution. Please retain this letter for substantiation of your gift as required by Internal Revenue Code subsection 170 (f)(8).

Thanks again for your continued support and very generous donation.

Sincerely,

Ron Giesselmann,

JOTTINGS

by Jeanne Bryceson, president of Shrine Widows

What a pleasure to welcome two more new members into our group. Starlet Borecky and Kaylene Martin joined us. Widows pins were presented at the May meeting by Past Potentate Illustrious Sir George Hunt to the new members.

Yes, those spring showers did bring beauty. Trees and bushes in Lincoln were gorgeous! Shrine Widows sprang forward and showered their sunshine on someone in the hospital or nursing home to show them they are not forgotten.

Mary Russell from the Masonic Home in Plattsmouth gave an interesting and informative presentation at our April meeting, telling us about the features of this non-profit retirement community. The Masonic Home provides apartment living, assisted living, nursing care and Alzheimer's/dementia care for Masons and their families.

Our Potentate has been a faithful visitor at our meetings, bringing us news from the hospitals and Shrine happenings. He brings his wife too, which is another big plus. Thank you for taking your time to be with us. And talk about faithful! We love seeing the Hunt's smiling faces at nearly every meeting which is greatly appreciated. George serves as our representative to the Shrine.

May is a month of many special times. Most my age remember making, filling and delivering May baskets on May 1. What fun! No, you did not want to get kissed! Of course we remember and honor our Moms. Then there are the graduates who are looking to the future and are anxious to begin new adventures and follow their dreams. And last, but not least, are the loved ones gone before. Hours are spent visiting and putting flowers on graves of family and friends before Memorial Day, showing love and respect. How many learned and recited the Gettysburg Address given at a Memorial Day service? I, for one.

This is a time to fly our American flag to show love and remember those who have given their lives for us and our country. We remembered all these events at our May meeting. Our act of love was to decorate the grave of someone otherwise forgotten. An impressive Memorial Service for members no longer with us was presented at our April meeting. Commemorated were Mary Ann Townsend, Fern Waller, Ingrid Hansen and Maxine Walkins. It was such a nice job done by Marian Walters and Diane Butherus.

If you are the widow of a Shriner, and have not visited one of our meetings, join us for a lot of chatter, food, a program and the company of others. Try It! You Might Like It!!

Jeanne Bryceson
Shrine Widows President

2020 Calendar Notice

I know it is early but, I have people asking about planning events for the 2020 year. The calendar is getting busy already. So, I wanted to give your clubs a units first chance for the dates you want. With that in mind, I am asking you to contact me, or Cindy Lehn, the event coordinator, VERY SOON if you are wanting a specific DATE for an event. Please include an alternative date (s) as well. Also, I am asking ALL CLUBS, UNITS, AND OUTSIDE RENTERS who want to rent or use the Shrine Center to fill out a Fundraising Request Form and turn it into the office. This form can be found on the website under Resources, and it can also be printed off at the Sesostris Shrine Center office. If you have any questions please call me.

Thanks,
