# A Message From Your Potentate

Time is really moving along. It is already the end of March and the 2018 Sesostris Circus is behind us. We do not yet have a final tally of the funds raised, but all indications are that we had a successful event. The total number of guests through the door was very close to last year. Because of revised pricing and some major cost savings we are hopeful that the dollars earned will follow. The best part was the compliments we received as our guests exited the arena. We also owe a great deal of thanks to the nobility and their ladies for the way they handled the adjustments we made at the Event Center. Many thanks go out to all of you for making the 73rd Annual Sesostris Shrine Circus a success.

In January, Sesostris was notified that our food service permits were not up to current standards dictated by the Health Department. This came as quite a shock to most of us and we felt that we were faced with a very difficult uphill battle to be able to continue our serving operations. However, in true noble fashion our membership stepped up and spent their time to obtain certificates to allow them to continue to support Sesostris in the kitchen, food service lines and the bar. A great deal of gratitude is extended to everyone who obtained their permits and all who are still working on theirs.

There have been some other very good things happening for Sesostris. The Abate Bike Show was held in February with many of our members participating with their motorcycles. The Iron Nobles again had a very successful display and the full dress white Harleys looked awesome. These are just a couple of the displays; because, there were many Sesostris Bikers represented. They all obviously worked hard and showed very well. At the end of the show, the Sesostris Transportation Fund was again blessed with a great donation from the local Tribesmen Motorcycle Club. In round numbers, they gave an impressive \$23,000. Their hard work for our philanthropy continues to show the spirit of giving in the motorcycle community and their ongoing support is very much appreciated.

In March, the Sesostris Transportation Fund was blessed again. The fund received a gift from the estate of a Hadar, Nebraska man through the Northeast Shrine Club. The estate of Ferrell Heckman, a lover of children and animals, presented \$250,000 for the Transportation Fund. More information and pictures should be in this issue of the FEZtivities.

At the printing of this issue, we will have had the opportunity for several fun and satisfying events. We will have had another Hospital Outreach Clinic, seeing approximately sixty-two patients. The Daughters of the Nile will have installed a new Queen and we will have sponsored this year's "Celebrating the Grand Lodge of Nebraska" with local Masonic lodges. We also will have completed the 2018 Spring Ceremonial and enjoyed what looks to be a great Potentate's Ball.

Coming fun events include the Nebraska Shrine Bowl. This year will be the 60th anniversary of the game and it will be Sesostris Shrine's turn to be the host temple. Mark your calendars for the parade and game on June 2. Then, the CSSA annual conference is scheduled for August in Branson, Missouri. A great hotel has been reserved at a pretty good price so get your room reservations in as soon as possible. We hope to see a lot of the Sesostris nobility there.

Thank you all again for everything that you do for Sesostris Shrine. As always, remember Leonard Nimoy's quote, "the Miracle is this, the more you share the more you have." This is something that I feel Shriners fully understand and live by.

# NORFOLK DONATION AND VANS

## MARCH 15, 2018

It was quite the Christmas gift when representatives of the Farrell Heckman Estate announced in December the Sesostris Shriners would be receiving a substantial donation in recognition of the work the Shriners do helping children with disabilities. Farrell Heckman's legacy has been instrumental with several projects in the Norfolk area.

With the gift of \$250,000, the Sesostris Shrine of Lincoln and Shriner's International will be able to help more children with special needs. The two vans, purchased from Cornhusker Auto, will be used to provide transportation to the Shrine Hospital for children in the Twin Cities. One van will be housed in the Norfolk area while the other will replace a well-used van in Lincoln. Cornhusker Auto is providing storage for the local van.

On March 15, 2018 the official presentation of the vans and the monetary gift was conducted as a part of the NE Nebraska Shrine Club's annual Circus Kickoff Dinner. A large contingent from the Divan and members of the local club were in attendance. Our special guests for the evening were: the administrators of the Farrell Heckman Estate; Mike Mayfield, and his wife, Jennifer; and, Rob Huntley and his wife Roxy. In addition, our guests included the Mayfield's nephew and former Shrine patient, Travis Schaeffer, along with his parents. The stories about our benefactor were very interesting and gave special meaning to the gift the Shrine received.

This was all a great start to our spring activities with a Patient Screening Clinic in Norfolk on April 6, 2018.

## CAMP ACHIEVE FUNDRAISER

On Monday, March 5, 13 Shriners and Shrine ladies devoted a half day to raise funds for Camp Achieve in Minnesota. The individuals pictured attended a Lancaster County Tax Lien Sale which was held at the Cornhusker Marriott Hotel in downtown Lincoln. For their time, each person earned \$56 for the Shrine. Camp Achieve is a camp for Shrine patients with limb deficiencies. A great big thanks to all who helped.

## New Office Manager Has Familiar Face

Folks familiar to Sesostris will easily recognize our new office manager. Keith Plummer is getting up to speed very quickly as he takes over for Bob Nootz. Nootz retired after five years as office manager. We appreciate his service to Sesostris and the hard work that he put in organizing the office and taking a leadership role in our two major fundraisers -- the Sesostris circus and Sportsman's Raffle.

Plummer, who served as Potentate in 2016, comes to the position as office manager following a career in computer programming for multiple banks and banking software firms. In getting acclimated to his new job, Plummer joked that he will now have to learn how to use and apply all those accounting packages that he once supported for someone else.

Plummer has a deep affinity for the Shrine fraternity and looks forward to working with all Sesostris Shriners and Shrine ladies moving into the future. Should you need to reach him in the office, contact information is listed below:

by Saf T

The Clowns had a great time at the Sesostris Shrine Circus at the Lancaster Event Center! For those that missed the Wash Day skit while sitting in the hospitality room, you missed a funny (and wet) skit! Husker was honored on the front cover of this year's program. Congrats Husker! The Clowns put a lot of time and effort into the circus every year. The Clowns were the top unit in plaque

sales, again! This work starts in November. BoJaks was the top salesman, again! Congrats BoJaks for your continual hard work to help make the circus a success. Skit practices start in January and are held twice a week. Thanks to all the clowns who sold plaques, practiced and participated in the skit, and signed autographs before, at intermission, and after each of the 10 performances. Great turnout!

The Clowns participated in the Outreach Clinic in April, sold CD's at the Kid Rock Concert in Omaha, helped with Screening Clinics each month, and will be getting ready for the Clown of the Year Banquet and the numerous parades this summer. Want to have a lot of fun? Enjoy the smiles of children of all ages? Join the Clowns!

## BLUE VALLEY SHRINE WIDOWS

by Jan McGrury, Correspondent

Sadly, our group has lost a very brave member. Joyce Maasch passed away after her battle with cancer. She was an inspiration to us for her positive attitude. She is so missed.

Several of us made the trip to Lincoln, December 2, for the Ladies Holiday Luncheon. Weather cooperated, and Vemeal Dodge, Marilyn Calhoon, Margie Johnson, Jan McGrury, and Sharon Cerveny came home with nice prizes. Our thanks to all who made this a very festive occasion.

Another trip to the Shrine Center on February 16 was a pleasant surprise for us. The Nile Quarter Auction, a first for four of us, was so much fun! Bob Nootz helped us understand how it worked. (Yeah right) We are looking forward to next year.

Cookies, cookies, cookies. We have been busy baking so our mentor, Ron Cerveny can take them to the circus workers on March 7.

Finally, a new beginning is here again. Flowers and green of Spring is here. Life is good!

**Roger Robinson**  
Chairman  
Board of Governors

Nobles and Friends,

Recently, it was announced that changes were being considered for how we care for our kids at Shriners Hospitals for Children-Twin Cities. These changes are in concert with the national trends in healthcare toward more outpatient-oriented care while the need for overnight medical (inpatient) care declines. At present, only a small part of our service involves overnight stays.

Recent news stories together with recent discussions at the winter MSA meeting has created uncertainty, many questions and a slew of rumors both for the nobility and for our Hospital staff.

The SHC-TWI Board of Governors want to make some things very clear, and end some rumors; We ARE NOT CLOSING the Twin Cities Hospital! We are developing plans for a transition to an Ambulatory Surgical Center (day surgery) service model. The vast majority of our work is currently in an outpatient environment and none of that is changing. Our kids will continue to get the greatest care available to them, just as they always have. The only change is for the inpatient procedures that will be shifted to other partnering facilities, just as we are currently doing for selected cases.

Along with this change, we are also planning efforts to expand our presence throughout our service area. This expansion will take on a variety of forms that could include new affiliations with other healthcare organizations and individual providers, expanding the use of our telehealth technologies and establishing physical clinics, just as a few examples. We see this as an exciting opportunity that supports the SHC system initiative of "Reaching More Kids in More Places."

As a Board, we want you to know that we are fully engaged in this change process and are committed to giving our nobility, and our friends, valid information about any changes. We are also committed to ensuring any changes are done in a proper and well planned out format, that not only creates "logical" business sense, but also remembers the human element of all involved, both our wonderful staff, our patients and their families. The SHC-Twin Cities Board of Governors has communicate our expectations regarding planning and timelines for any transition to the Joint Boards to ensure all parties involved have like expectations.

We ask for your continued help and support as these changes unfold. We commit to communicating information to all of the Temples supporting SHC-Twin Cities. On behalf of the SHC-TWI Board of Governors, we thank you and your nobility for your support!

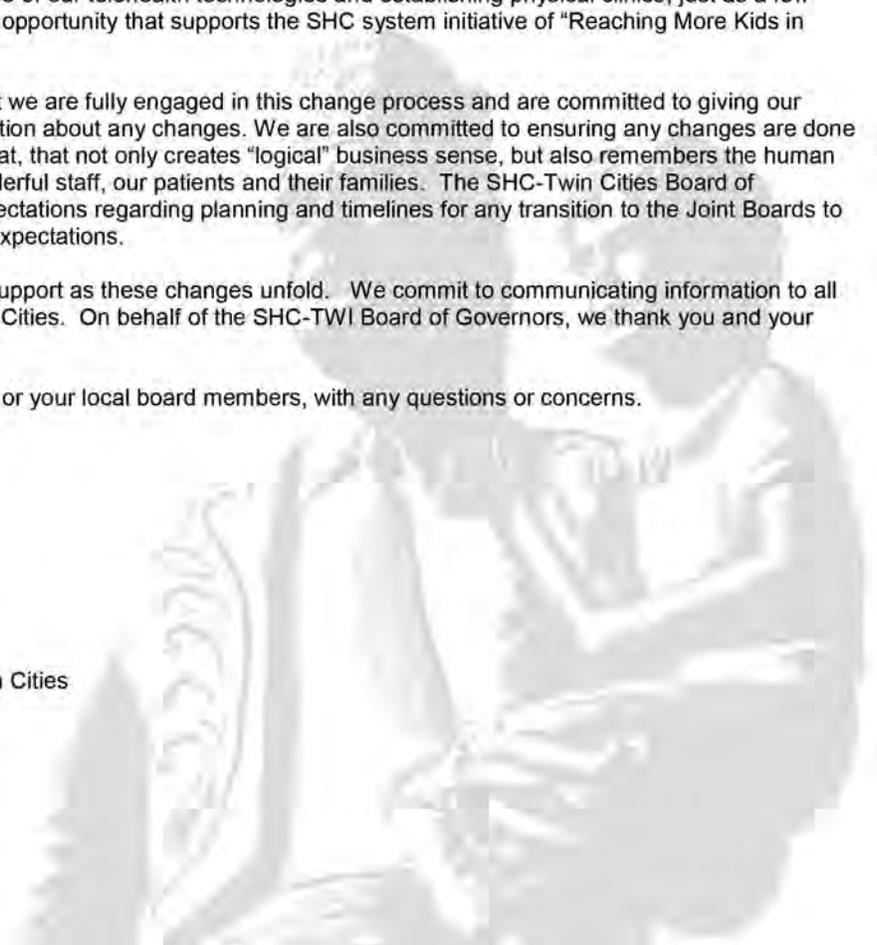

Please do not hesitate to contact me, or your local board members, with any questions or concerns.

Fraternally,

## HOSPITAL BOG UPDATE

Having been recently appointed to the Board of Governors (BOG) for the Twin Cities Hospital (TC), I have been trying to get a grasp and learn my role as a board member. It's a task that I thought I could work into gradually. But, that was not the case.

At my first official meeting in January, we were joined by representatives from Imperial, including Imperial Sir Jerry Gantt and others from Tampa. A presentation was made to the TC-SHC regarding changes to the Twin Cities hospital. Their message focused on "treating more kids in more places." Their vision is to transform TC from an in-patient surgical care hospital to an Ambulatory Surgical Center and to reach out to more kids within the geographical area served by TC. Many outlying locations and possible options were discussed – but no specifics on how it would happen were provided. We were left with an impression that Tampa has a specific plan for how they would like to proceed with making changes. Yet, they were unable to communicate exactly what that plan is.

At the February meeting, the BOG voted unanimously to support the changes to an Ambulatory Surgical Center as the number of in-patient stays do not support the current system of health care that TC provides. With the advances in medicine, many health care providers within the Shrine system and public sector are facing the same challenges as TC. The Executive Committee of the BOG, along with the top administrators at the hospital, are aggressively pursuing opportunities for collaboration with other providers in the Twin Cities. The ultimate goal is to continue providing excellent care for our current patients and to all future patients of Shriners Hospitals for Children - Twin Cities.

Until we have a definite plan in place, I would encourage us all to continue looking for kids that need our help. That is our mission.

Fraternally,  
Steve Brunken, PP

## CIRCUS APPRECIATION

Bob "Safety" Nemecek shared this photo, which he received from a little girl attending the Sesostris Shrine Circus. Shown is the cover of her artwork. Safety mentioned that the back side featured her drawing of a singing pig and the words 'thank you.'

# SESOSTRIS SHRINE CIRCUS THANK YOU

Wow!!! What a great group of workers for the Shrine Circus.  
We would like to offer a thousand or more THANKS to ALL who worked at  
the Sesostris Shrine Circus.

While the final NET figures are not in at this writing, we are almost sure it is  
going to be better than last year.

While the attendance was similar to last year we did not rent Pavilion #1  
saving us many \$'s.

We also moved in and set up on Wednesday instead of Tuesday, saving us  
many \$'s.

We really want to THANK all the nobles and ladies that stepped up and  
helped us set up on Wednesday. GREAT JOB !!!

We also want to THANK those that worked in more cramped areas by not  
renting Pavilion #1. GREAT JOB !!!

While the attendance didn't drop off. We did charge \$5.00 for children  
under 12. ( last year children under 12 was admitted free.) We believe this was  
positive and will also help our NET circus income.

Again, many thanks for a job well done.

It makes us very proud of the Sesostris Shrine noble's and ladies.

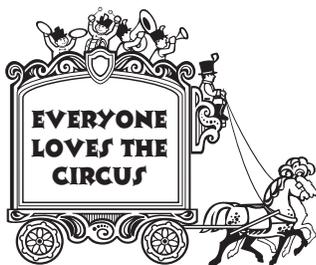

You should also be very proud for your part in helping make the Circus a  
success.

**YOU HAVE OUR DEEPEST GRATITUDE !!!**

## CORVETTE CLUB

by Don Woodburn, Secretary

We in the Corvette unit are so proud to have this year's Potentate as a member of our group. The year started off with the honor of serving as Ill. Sir Ole's cordon for the ceremony introducing and inducting him as the Potentate for Sesostris for 2018. That was cool!

The Corvettes were very involved in the circus this year. Jerry Ritchie was at the front door selling tickets. Ill. Sir Doug Gates, PP was the organizer, getting tickets sold for rides. As you can see in the photos, several different men were involved and I didn't get pictures of all of them. Recorder Bill Cummins was in charge of the novelties and Doug Dessel did a marvelous job as chairman of the circus. Thanks to all the Corvette men and ladies who helped! What a fun event and hopefully, Sesostris netted some great funds for the Shrine.

An exciting fundraiser is in the works for this September. Mark your calendars now for an evening at Pla-Moor ballroom with the Bobby Lane Orchestra on September 24. Tickets will first be sold to Shriners and then sales will open to the general public. Bob Benish has led this famous orchestra for many years and we expect to sell out the ballroom. Talk with Corvette members and the Shrine office for tickets as the event draws closer. The tickets will sell for \$12.50 a person.

Upcoming events in the near future are the Potentate's Ball on April 28. The Corvettes plan to host a table at the hospitality that afternoon near the ballroom. We hope to see you all there too. Next, will be parade #1 at the Shrine Bowl in Kearney in early June. We are also planning to attend the NEBRASKAland Days parade in North Platte on June 16, as well as hopefully all of the parades scheduled by Sesostris this year. Finally, we also are planning on the sports car showing and judging at this year's CSSA event on August 24 in Branson, MO.

Finally, I would like to list for you the cars available for this year's parade season. We have new members and a few new cars as well, for the pleasure of our parade

# BIKER'S NIGHT OUT

MARCH 3, 2018

## Iron Nobles

Nobles, you can see some of the good times we had representing the Iron Nobles at the Feburary Abate Bike Show.

The Iron Nobles won 1st place Unit Display, along with six individual trophies won by Bryan, Dave, Lance, Sink and Chewie. The Costume Award was also won by KISS players for the unit.

We had a great turnout at the Biker's Night Out. Iron Nobles also volunteered to sell CDs as

part of the Kid Rock concert in Omaha. Kid Rock gave a shout out to us Shriners and profits from CD sales went to the Shrine.

Iron Nobles always enjoy participating at the Circus and our own Chicken Lady (Jennifer) helps to inspire the attendees.

The next few months will be busy arranging for the Shrine Stock with set-up held on August 18.

The MDA run will happen May 19 at Frontier, with Iron Nobles providing the pancakes. Shriners that ride are welcome to attend the Two Wheel Riding Tune Up on May 12 with instructors from LPD.

God Bless, TK

# NOTICE ABOUT FOOD HANDLER PERMITS

Please see the important message below from Officer Manager Keith Plummer about the new policy regarding food handler permits:

One of the continuing chores that I have inherited from Bob is the collection of food handler permits. Everyone who volunteers to help in the kitchen for one of our events needs to get at least a "Serve & Clean Permit." This applies to anyone who carries food from the kitchen or carries plates and dishes back to the kitchen and washes dishes.

If you are involved with the actual cooking of food, you need to get a "Prep Cook Permit." The next level is a "Restricted Shift Manager Permit." Any time food is being prepared, there needs to be at least one of these permit holders on the premises.

The final level is a "Food Protection Manager Permit." Every establishment has to have at least one of these on file with the Health Department. You can get these permits online by going to [www.lincoln.ne.gov](http://www.lincoln.ne.gov). Once on that page, select "Forms & Permits." Then, look under "F" for "Food Handler." This will take you to the "Food Safety Section" where you will select "Get your Lincoln Food Handler or Server/Seller permit online."

There is one \$20 fee for the first three levels and an additional fee if you go on for the Food Protection Manager permit. Once you complete a course you will receive a certificate. A copy of this certificate needs to be on file in the Shrine Office. Thank you to everyone who has completed this process and everyone else needs to be aware of this new requirement.

## New Hospital Coordinator Hired

Kellie Antoine has been hired as the new hospital coordinator. She is married with four children. Her youngest, 2-year old Maximus, was recently accepted into the Shrine Hospital system and will be a patient at Minneapolis/Twin Cities. Antoine comes to the new part-time post with some familiarity of the Shrine philanthropy. Her father-in-law is also a Sesostris Shriner. Antoine's hours will be Monday through Wednesday, 9:00 a.m. - 4:30 p.m. Please stop by and say hello!

Then, relive the sounds of Mowtown when you visit the original recording studio and offices at the Motown Museum. Established by Barry Gordy in 1959, Mowtown changed the face of music and you'll get to stand in the studio where the giants of the Motown sound recorded their hit records, The Supremes, The 4 Tops, Steve Wonder, and many more.

Experience the awe-inspiring scale of a real factory floor as you rev-up your inner-engineer. Celebrating the engineering ingenuity behind the production of the all new aluminum body, the multi-sensory

manufacturing innovation film experience comes complete with vibrating seats, gusts of wind, 3-D projection mapping, and even winking robots.

Then, head over to the Henry Ford Museum where you'll step into a world where past innovations fuel the imaginations for generations to come. Step inside the bus where Rosa Parks took a stand for equality by taking a seat, play pilot as you explore flight innovations, starting with the Wright Brothers achievements, or make yourself at home inside the Buckminster Fuller Circular Dymaxion House. There's so much to see that chronicles American life at the Henry Ford Museum.

Head back to the hotel for a little R&R before an exciting evening ahead. Make your way to Comerica Park in downtown Detroit for an evening of Major League baseball as the Detroit Tigers take on the Kansas City Royals. Cheer on the hometown boys to victory.

**Outreach Clinic Appreciation**

*Thanks to all of the Shriners, ladies, and clowns for your help with the successful Outreach Clinic. There were 68 patients scheduled and the Twin Cities staff saw 58.*

*A successful screening clinic was conducted by the Northeast Shrine Club on Friday, April 6. There were six patients seen and five accepted. One family had two siblings with the same affliction and they planned on taking them to the Twin Cities on their appointment. Another family with two children had canceled their appointment since they already had a diagnosis and planned on going to the hospital. Thanks to the following Northeast Shriners for conducting this clinic: Colin Andrews, Gale Retzlaff, Larry Wiegert Sr., Lowell Ericson, Gerald Kuhn, and Dick Hemmingsen.*

We don't always get photos of the club and unit events, which would be nice to include in future issues.
