A Message From Your Potentate

Nobles and Ladies of Sesostris,

September and October are flying by with Big Red football, Labor Day, Stated Meetings (including the one we hosted with the ladies), the Golf Tournament, Golf League Dinner, Cruis’n Classics Sleepover, the Nebraska City Parade and Outreach Clinic. Much appreciation to the nobles and ladies who helped with the Outreach Clinic this year keeping records, serving as escorts and entertaining the patients and their families. We drank lots of coffee and ate many cookies. Mary Ann, worked from 7:00 a.m. until everyone was gone. Thank you, thank you, thank you. There were certainly a lot of events going on that same weekend, yet we managed to get them all covered.

The Noble/Tribesmen Toy Run was a big success. Noble Jay had over 100 people at the Shrine Center for the breakfast. Bikes to the right of me, bikes to the left of me…. It looked really cool when they all left and went north down Highway 77.

Thanks to all who took part in our Shrine Hospital Awareness Days. It made for some tough competition when it came to scheduling against a home Nebraska football game. We raised a little money for the hospital and got our message out. People came up to me and asked about the Shrine and what we do. The Norfolk parade was the same day, with Keith Will leading the way.

Tangiers Ball was on October 3 at the Scottish Rite Building in Omaha. Tehama’s Ball was on October 17 in Kearney. The Sesostris Halloween Party was on October 30 at the Shrine Center.

Time is just flying – only two months to go and my time as Potentate will be over. Thank you for the honor and the trust you placed in me. It’s been a great time.

The Black Camel has been hard on our membership. It’s sad for the families and our family as well.

Membership Dues Message

At the Imperial Session in Houston this past July, a $15.00 increase in per-capita tax was voted on and approved; this will be reflected on the 2016 dues notices which will be mailed the first part of October.

However, if your members wish to seize the opportunity to invest in a Per-Capita Life Membership, they may do so at a total of $450 (thirty times the current tax amount) until the end of the calendar year. Waiting until 1/1/2016 or after will double the amount required for a Per-Capita Life Membership (the new total will be $900).

As the end of the year approaches and holiday gift exchanges are planned, please consider encouraging your Nobles and their families to invest in life membership options – especially the Per-Capita Life Memberships, as they will never again be offered for the low price of $450. Be sure to include payment methods, including PayPal or other online options.

Securing a Per-Capita Life Membership, Permanent Contributing Membership (for the Hospital Assessment) and/or a Temple Life Membership will help ensure the continued membership of your Nobles, and preserve the future of our fraternity and its philanthropy.

Life membership in the Shrine is truly the gift that keep on giving.

A Message from Our Chairman of the Health Care System

Dear Fellow Nobles,

Over the past several years, it has been my privilege to work with you in many capacities, most recently as your Imperial Potentate. Regardless of the title, my intent and focus has always been the same – to strengthen and improve our two great organizations. At the recent Imperial Session in Houston, you entrusted me with the Chairmanship of Shriners Hospitals for Children®. I am, again, humbled and honored by your faith and trust. I thank you for this opportunity and promise to work with you to enhance Shriners Hospitals for Children, and help make our health care system all that it can be.

As we all know, health care in America is challenging, complex and costly. Our vision statement includes being the unquestioned leader in our areas of expertise. The challenge is to achieve this goal in a medical environment that has necessitated many changes in the way we deliver care, including increasing outpatient services, billing of third party payors, becoming more efficient care providers, complying with complex governmental and insurance regulations, and working hard to increase patient volumes.

In the short time since I began serving as Chairman of the Board of Trustees, I have met with the hospital administrators, chiefs of staff and the Medical Advisory Board members. I have also reached out to the leadership of the governing boards of our 22 hospitals for their input. To be able to meet the many challenges facing Shriners Hospitals for Children, there must be open communication at all levels and, ultimately, a unified commitment to implement the changes and make the choices necessary to move forward.

It is also very important that we be willing to use every possible approach to reach new patients and families – including media and our Shriners. We must all do more than just mention Shriners Hospitals to people we meet in our daily lives. While that personal approach is valid, we need a much more concerted effort.

Our DRTV (direct response television) ad campaign is one such effort. The advertising spots run on various channels that were strategically chosen after extensive testing to bring in the greatest return on investment, as well as have substantial numbers of viewers. The ads, which feature our patients showing what they are now capable of because of the help and hope we gave them, continue to generate interest in both Shriners Hospitals for Children and Shriners International, as well as raise donations. The two “Love is” ads also have a definite Shriner presence, which clearly links the fraternity and philanthropy and has created interest in Shriners International. The first step in increasing our patient and membership numbers is raising awareness; these ads are an effective part of that effort. If you haven’t seen the ads, they can be viewed on our YouTube channel, youtube.com/shrinershospitals.

I am asking both our Shriners and our staff to think about patient recruitment – and creative innovative ways they could help. Think about opportunities to make presentations in your communities, or new ways to reach local media. We want to reach as many children as possible, and give them the hope and healing they need to face their futures with confidence. It was the vision of Shriners that created our philanthropy, and it is the responsibility and privilege of both our staff and our nobles to maintain that connection and share our message with as many people as possible, using every method available, as effectively as possible.

Sharing our expertise and providing the best possible care we can to as many children as possible are the ultimate goals of Shriners Hospitals for Children. We have physicians and surgeons who are known throughout the world, surgeons who have created new and better treatment techniques, and researchers who have made discoveries that have increased the world’s medical knowledge and changed treatment protocols.

And we have countless patients and families who tell us we gave them hope when there was none, or that we gave the confidence to dream big dreams, or we made them feel less alone as they faced difficult situations.

We want to give that hope, confidence, and sense of community – and excellent medical care regardless of the ability to pay – to as many children and families as possible.

Certainly we have challenges. I believe whenever we are faced with a challenge, we need to see it as an opportunity for growth and change. In the months ahead, we will keep you informed of our progress, and look forward to your input and feedback.

Again, thank you for giving me the honor and privilege of serving as your Chairman of our health care system.

Thank you for all that you do on behalf of our great philanthropy.

Yours in the faith,

Dale W. Stauss
President and Chairman of the Board of Trustees

We hosted 103 golfers at Wilderness Ridge Golf Club on September 14 for the Sesostris Scramble. Lots of people volunteered and I wish to thank all of them personally, but lacking that opportunity, please know I was again impressed with the dozens who helped make the event a success. This includes the 2015 Committee, Corvette Club helpers, the BBQ cooks, Potentate Aids, noble committee ladies, Gourmet Club, bar staff and the office staff for a terrific job in pulling off another wonderful event for SESOSTRIS.

Also, I add a HUGE thank you to all of the many sponsors who made the event possible. They are listed below and I encourage you to support them this year.

First Flight Winners were: 1st place team: Todd Henke, Nathan Bender, Leon Bender, Jordan Bender; 2nd place team: Jim Chambers, Larry Bird, Bob Eades, Kevin Bryson; 3rd place team: Jeff Ball, Aron Beck, Brian Millard, Dave Clark.

In Dreams I Walk
SUPPORTING TREATMENT AND RESEARCH OF OSTEONEGESIS IMPERFECTA

Imagine being a loving, devoted parent, but afraid to hug your child. Imagine being a child, and constantly being warned to "be careful; don't play too hard." Imagine always being aware that anything you might do – even just cough or sneeze – could break a bone.

For children and families living with osteogenesis imperfecta, these are daily realities.

UNDERSTANDING OSTEONEGESIS IMPERFECTA (OI)

In basic terms, the underlying cause of OI, also known as brittle bone disease, is a lack of collagen – or abnormal collagen – in the bones that prevents them from absorbing appropriate minerals and developing correctly. There are multiple types of OI – each with several symptoms and ranges of complexity and severity. In addition to the serious susceptibility to fractures, OI may cause below average height, early hearing loss, dental issues and additional orthopaedic difficulties, including bowed arms or legs, flat feet and scoliosis. Many children with OI will have difficulty walking.

For these children and their families, everything – every activity, every choice, is measured against the threat of bone fracture, and other potential complications. The children and families coping with this debilitating disease will face it every day throughout their lives.

Shriners Hospitals for Children has a long history of developing and improving available treatments for OI, and there is now more hope for these children and families than ever before. Still, research takes time, and the treatments are quite costly.

Over time, First Lady Lisa Gantt has become increasingly aware of the impact of OI on children and families, and is determined to make a difference. Her program, In Dreams I Walk, will provide additional funds to support Shriners Hospitals for Children’s efforts in the treatment and research of OI.

“"We all want a world where children overcome, live their dreams, and walk into adulthood confident and secure. Let’s all help make that happen for children with OI,” said Lisa. “Join me in helping make the dreams of these children come true by supporting my program, In Dreams I Walk.”

SUPPORT THE FIRST LADY’S PROGRAM

First Lady Lisa Gantt has asked that, as she makes her visits throughout the Imperial Year, donations be made to her fundraising program in lieu of presenting her with personal gifts. For a donation of $40, contributors will receive a bracelet with a bead fashioned as a shoe, representing her theme of In Dreams I Walk. A beautiful scarf can be purchased for $30, and an elegant gentleman’s tie can be obtained for a donation of $30. All three items are available for a total of $100.

Completed order forms may be given to the First Lady. Order forms, along with donations made payable to Shriners Hospitals for Children, can also be mailed to Shriners International Headquarters, First Lady’s Program, Donor Relations Department, P.O. Box 31356, Tampa, FL 33631.

Canadian order forms and donations may be sent to Shriners Hospitals for Children — Canada, 1529 Cedar Ave., Montreal, Quebec, Canada H3G 1A6. Additional order forms and return envelopes may be obtained from the donor relations department at Shriners International Headquarters by calling 855-401-4897 or by sending an e-mail to lgantt@shrinenet.org. Donations to this program can also be made online at support.shrinershospitals.org/FirstLadyLisa.

As summer comes to an end, the Sesostris Gun Club has wrapped up their first season on the Lincoln Trap and Skeet, Fall Trap League. We had many nobles representing Sesostris. Some shot trap for the first time, but all had a great time.

So as the days get colder, the Gun Club will move their competition indoors.

Many of our shooters enjoy pistol marksmanship. Big Shots offers a Practical Pistol League event every Wednesday, through the winter. This is practicing safe handling in action.

The Sesostris Gun Club is off to a great start. While concentrating on safe handling of firearms, we also competed in Rock Your Glock, Fall Trap League, Practical Pistol League and raffled off a ground blind at the Sesostris Sportsman’s Raffle.

This winter the Nobles are considering a wild game feed.

Till then.....keep your powder dry,

HOSPITAL HAPPENINGS
A report from your Twin Cities BOG representative

Dear Nobles and Ladies,

A big Shriners Hospitals for Children - Twin Cities “thank you” to all the nobles and ladies who volunteered at the Fall Outreach Clinic at CHI-Saint Elizabeth. We had outstanding attendance even with the day filled with other Sesostris Shrine events. With your help we saw 71 patients, saving time and countless trips to the hospital for our kids and their families.

We are SO CLOSE to reaching our patient recruitment goal at Sesostris! As of October 1 we have 28 qualified applications. We need JUST FOUR MORE to achieve our goal of 32. With two months to go, I know we can do it! Let’s bring a little holiday cheer to a family that can benefit from our philanthropy. There is no greater gift than the one you give to a child in need.

Progress on the outpatient clinic restoration at the hospital is moving right along. The joint boards (Shriners Hospitals for Children and Shriners International) have allocated $550,000 for the project. A local Twin-Cities architecture firm is engaged to develop a new interior. Testing has been completed to assure that the space is no longer at risk for mold and other moisture-related concerns. I will keep you posted as to our progress on this very important project.

As promised, I have an update on our relationship with the Mayo Clinic. I asked Charlie Lobeck our hospital administrator to provide the board with a report we could share with the nobility. The discussion of facility relocation has been placed way down on the priority list. It will be quite some time before any physical moves come to fruition. Currently, we are focusing on our collaboration of talents between both hospital systems. Below is a short summary of our progress to date.

• MEDICAL EDUCATION: Agreements are being updated and finalized that create opportunity for residents and fellows to gain educational experiences at SHC in rheumatology, anesthesia, orthopaedics, and rehabilitative medicine. November 2015, SHC will host the Minnesota Memorial Pediatric Orthopaedic Symposium in collaboration with Mayo Clinic and Gillette Specialty Healthcare.

• RESEARCH: SHC is working closely with Mayo Clinic on several research projects. More recently, the organizations are collaborating to share some of the resources available at Mayo Clinic to provide oversight for research projects. A pilot project is expected to launch in late October 2015.

• CLINICAL SERVICE: Presently, eight physicians from Mayo Clinic provide services at SHC on a monthly basis. We expect that relationship to expand to 11 physicians later this fall in seven specialties. SHC’s Chief of Staff, Dr. Cary Mielke, has been accepted to perform select surgical procedures at Mayo Clinic in Rochester. E-consults (electronic consultation between an SHC and Mayo Clinic physicians) are readily available and utilized. All SHC staff can also access AskMayoExpert, an online medical information resource that offers validated medical information at the touch of a button.

Yours in the Faith
Ill. Sir Drew Borske

A NOTE FROM YOUR EDITOR:
Are you viewing your edition of the FEZtivities online? Are you still getting a copy mailed to your home or office? We want to hear from Shriners or widows who are no longer interested in receiving a hard copy of this publication. If you wish to be removed from the mailing list, please call the Shrine office and let the staff know.

Also, be aware that we have a new Sesostris Shrine website: www.sesostrisshrine.org. The staff is striving to keep the information as up-to-date as possible on that website. If you need the latest information on an event, log on and check out the “Calendar” feature.

It’s hard to believe that another year is coming to an end soon. Time flies when you’re having fun. As we finish out this year our activities have included the Sportsman’s Giveaway, Don and Millie’s Cruise nights, our Cruis’n Classics cookout and the Halloween Party.

There is still the upcoming Fall Ceremonial, Recognition Night and the many holiday parties as we close out the year. As always a great “BIG” thanks to all the members and ladies who helped with all of our fundraisers and activities throughout the year.

As the upcoming holidays are soon here, that means many holiday parties will follow. So when your club and/or unit holds their party, save the aluminum cans. Every aluminum can (all metals) that is donated goes to the Transportation Fund. If you have any additional items to donate contact the Cruis’n Classics captain. Well that is all for now as we cruise out this year and into 2016.

CORVETTE CLUB
by Bill Cummins, Secretary

The Corvette Club members and their ladies have had a busy spring, summer and fall.

On August 16, the Corvette Club and their ladies helped with the judging for the Malcolm Car Show. The weather was great and there was great turnout for this event. The members who served as judges were: Al Klaasmeyer, Jay Stearns and his lady Diane, Jerry Wilson, Bill Cummins, Bob Gade, Loel Kugler, Larry Lewis and his lady Linda, Harry Lipert, Don Love, Rick Otto, Bob Colin, Dick Stephensen, Don Woodburn, Arvid Barth, Ray Boevink, Bob Simard, Doug Dessel and Jerry Ritchey. Many of the wives helped with the scoring and tabulation.

The Corvette Club received $1,000 for participating in this event. After the car show, a number of members and their ladies met at Toads in Fallbrook for food and fellowship.

On September 19, the Shrine held an Outreach Clinic at St. Elizabeth Hospital. The Corvette Club was well represented at this event and enjoyed helping escort the patients. It was a busy day as 88 patients were scheduled for appointments with the doctors from the Minneapolis hospital. This is always a great opportunity for Shriners to meet our Shrine kids.

In October, the Corvette Club sponsored a table at the annual Sportsman’s Giveaway. We raffled off $100 worth of .22 ammunition. It was a fun day as we raised more money to support the Shrine.

The Corvette Club ended the season with their annual holiday event on October 11. Ole and Lynn Friesen graciously hosted a social hour at their home prior to the dinner held at Hillcrest Country Club.

The Corvettes have been put away for the winter and the snowbirds have traveled south to warmer venues. This all signals the close of a busy and enjoyable 2015 for the Corvette Club.

Happy Holidays!
OUTREACH CLINIC
September 19, 2015
On September 7, 2015, six Covered Wagon RV’s headed to Hannibal, Missouri and Springfield, Illinois. Those making the trip were Wagon Master Doug Dessel and Pat, Ron and Bonnie Hoffman, Loal and Joan Kugler, Don, JoAnne and Pam Miller, Roger and Mona Wells and Cliff and Toby Deboer.

After visiting several sites of interest along Highway 36, our first stop was at Long Branch State Park. The next day found us visiting Walt Disney’s museum and then onward to Hannibal, Mo. to the Mark Twain Landing RV Court. We toured the city, cruised the Mississippi River and saw a lot of history created by Mark Twain.

After four days in Hannibal, it was off to Springfield (the Land of Abe Lincoln) and the Double J RV Court which welcomed us with a large sign saying “Welcome Shrine Covered Wagons.” We toured Abe’s museum, his boyhood home, his tomb and other area attractions.

This “Long Trip,” as we called it, was GREAT. We spent many mornings having coffee with the group, and of course, there was always time for our “socials” in the afternoon. The restaurants offering a “Burger & Beer” also caught our attention!

Next year will be the year we take a mystery trip. If there are any Shriners, with RV’s, who would like to join us on our monthly campouts (April to Oct.), contact any Covered Wagon member. We see a lot of the Good Ol USA!

Nobles Serving in the Military Overseas

If you know of a Noble serving in the military overseas, please provide Laura Borske, Editor of FEZtivities, with their name and APO address so it can be placed in FEZtivities. Some of our Nobles would like to send a note to them so they know how much we appreciate what they are doing for our country.

Sesostris Shrine Clowns
by Charles “Chuckles” Godwin
Secretary

“Guard well your spare moments. They are like uncut diamonds. Discard them and their value will never be known; improve them and they will become the brightest gems in a useful life.”

—Emerson.

Where are the Shrine Clowns? Too many are not improving their life as a clown bringing love and happiness to others—particularly our kids; however, some of them are the brightest gems. George “Banjo” Douglas is one of our busiest clowns and along with “Scraps,” “Patriot,” “Saf-T,” “Toots” and “Derf” we saw them at the Outreach Clinic at St. Elizabeth Hospital.

And then “Banjo” always appears at Dr. David Samani’s Medical Office entertaining the children waiting to see the doctor. “Banjo” and his lady, Shirley Ann, also travel to senior centers, etc. to perform with banjo and fiddle in bringing a time of joy to them.

The parades are fast drawing to a close. “Cosmo,” “Happy” and our new clown “Jon Cerny” walked the parade in Beatrice. And, we can’t leave out the Clown Director “Cosmo” as he has many numerous parades including Sterling and Western.

As we look at the country calendar, September brings skies, blue and clear, summer is over—harvest is here. October brings the distant cry of wild geese orange and an orange moon lantern in the sky.

November brings Thanksgiving pies to bake, nuts to gather, leaves to rake and December bring snowdrifts, sparkling cold, days that are short, and a year growing older.

Snack Time at Sesostris
Don’t have time to run home for dinner before your meeting? Or maybe you’re craving something salty to go with your favorite beverage from the bar...

Whatever the case may be, you can find the snack of your choice thanks to a new vending machine installed by the Pharaohs.

It’s located in meeting room #1 the one closest to the office.

Inside you’ll find chips, nuts, candy, fruit snacks and beef jerky. If there’s something else you crave, just let a member of the Pharaohs know, and they will stock it for you.

Remember, when you’re having a snack attack, you’re also giving back!

Thanks for the support!
CLOWN OF THE YEAR
June 26, 2015
Where did this year go? It is hard to believe the holidays are just around the corner. The Temple has been very busy this fall. Our Supreme Queen Sharon St. John visited us on October 4 for our Fall Ceremonial followed by a delicious banquet. All the officers did a marvelous job and a very special welcome to our new Princesses! We held our first Quarter Auction of the year on October 18. If you missed the fun, we will be hosting another one on Sunday, January 10. On November 8, the Shrine Center will be the setting for a formal night of music and fun as we celebrated “A Night on Broadway.” It certainly brings back a lot of memories from those wonderful movies.

Looking ahead to the winter months (I almost hate to say the word), we will be caroling to our Naphis homebound on Friday, December 11, and gathering afterwards for hot cider and treats. Please mark your calendars to help us make this a special evening for our long time members who so enjoy the visit.

In January we will be hosting our second Quarter Auction and our Annual Naphis Breakfast on Sunday January 31. Maybe Mother Nature will be a little kinder to us this year.

In February save the date for an old favorite social event—our Festival of Tables on Saturday, February 13, 2016. How gorgeous the Shrine Center will be with each table personally decorated by the table hostess. Our Pageantry Unit will be selling those amazing sheets for only $40 a set, regardless of size. They will also be putting together a raffle for the 2016 Husker Spring game, a night’s lodging, dinner at Lazlo’s and movie tickets. Wow, that will be one lucky winner. Contact Past Queen Pam Lindholm or Princess Cindy Eberspacher for more details.

Our Patrol Unit will be hosting their Annual Soup Supper, Friday, November 13, 5:30 p.m. to 7:30 p.m. at the Shrine Center. Contact Princess Sharon Yockers for more details.

I want to take this opportunity to thank the Shrine for all their continued support of Naphis Temple. May each of you have a very blessed Thanksgiving and Christmas, surrounded by love and peace during this glorious time of year.

What is a Quarter Auction?

20+ Vendors will donate 3 items to be put up for auction.

You will bid 2 or 3 quarters on the items you want, if your paddle number is drawn...YOU WIN!

BRING QUARTERS to bid on items

Your ticket price includes one bidding paddle, you can buy an additional paddle for only $1 each. (You can purchase as many paddles as you wish)

Vendors will be set up for you to shop and view their auction items.

You don’t have to bid to come. Feel free to come and shop at the vendors tables.

Don’t worry, we will explain how it all works before and during the auction.

Tickets are $5 at the door
