TABLE OF CONTENTS

A Message From Your Potentate

A lot has happened since my last writing to you. A flurry of activities, including several parades, is already in the history book. One of the most enjoyable events for me over the years has been driving through the streets of our small towns and representing Sesostris. It is always so great to see the smiles on the faces of the children as you go past them. Occasionally they look disappointed when you don't toss any candy out your car. All this while you watch to make sure none of them run in front of you.

The annual Nebraska Shrine Bowl Football game has been played in Kearney. What a great time to watch these young athletes play their last high school level game before going to the collegiate level. And not to forget the fantastic high school band members playing and marching together after only a week of being together. This was followed a week later by the annual Soccer Classic played in Omaha. If you missed any of this, you missed a great time and I highly recommend you take the time to enjoy these events in 2018.

Our inaugural "FEZWALK" was held on Father's Day in Holmes Park. With about 100 participants and volunteer workers, we raised \$2,858 which was donated to "Camp Achieve" in Minnesota. This is a camp put on by the hospital system for Shrine patients with limb deficiencies. We look forward to having this fundraiser again next year. Come out and enjoy.

July 10 thru the 14th saw your Potentate, Chief Rabban, Assistant Rabban and High Priest and Prophet accompanied by our ladies at the annual Shrine Imperial Session in Daytona Beach, Florida. During the session, fifty items were on the call, discussed and voted on. The item which will have the most effect on Sesostris is as follows. We will no longer use a ballot box to vote on petitions for membership. We will now vote on paper ballot with a simple majority electing the petitioner to go through the rituals to be a Shriner. We will discuss this each of the next couple of times we have the occasion to ballot. By the time you read this we will have had one time using the new method in August.

Another item for all to pay attention to is the new web address to be used for recruitment of new Mason /Shriners. That address is tobeashrinernow.com/referral. Be sure to check this out. After you check it out, USE IT! This is another great tool for us to use as we pursue new members.

Dreams. I had a dream at the start of the year! I had a dream of building a warehouse on our north property. This was to be a garage/warehouse to alleviate the crowded situation in our back area. Not all dreams are to come true! As we have progressed through the year, I have become aware that this may not be the proper time for such an undertaking. We now need to sit down and assess the future looking ahead 10 and 15 years. I want to thank Ill. Sir Mark Kinzie for all his hard work he put in this year drawing up plans for a proposed building. Also thanks to James Eggerling for drawings he came up with such great detail. I have not ditched my dream; only place it on the "back burner".

Be sure to attend the public presentation regarding South Beltway at the Shrine Center held on Oct. 3rd. This will be presented by the State of Nebraska and an engineering firm. Come out and stay educated on what will affect our property.

RAFFLE - RAFFLE-RAFFLE

Only 7 weeks left to finish selling those raffle tickets for the Sportsman's Raffle. Remember to tell your prospective buyer that they are not bound to take a gun, the can take a cash amount from Scheels and buy anything else in their store except ammunition. What a deal!

Don't forget to read the article on "Deadwood" elsewhere in this publication.

## - IRON NOBLES -

### Nobles and ladies,

By the time you read this the Iron Nobles will have completed their Poker Run and First Shrine Stock with beer garden, bands , games, etc. Another summer riding season is slowly ending; however, the Iron Nobles have a few upcoming events:

- CSSA in KC: A few riders will be attending September 1 - 2.
- Spaghetti Feed: Friday, September 8. This is always a great turnout, with added musical entertainment from 5:30 to 6:30 p.m. Contact an Iron Noble representative for advance tickets, or purchase them at the door.
- The Sportsman's Raffle: October 21.
- Outreach Clinic: October 28

We are also having a dinner ride meeting in September, but hope to be back serving meals on Wednesdays starting in October.

Attached is a well done addition, Thank You , Scott. Ride Safe, God Bless, TK

### TIME WITH SUPERSTARS!!!

Any Noble or lady who has spent time doing what I'm about to talk about will understand, and possibly relate to what I'm saying here.

Imagine a brisk spring or fall morning depending on

the season. The day may start with breakfast or coffee at a local cafe with fellow Nobles. Some may show up on a bike, even if it's cold out. That's how it was my first time -- breakfast with some of my soon-to-be Iron Noble brethren before I was even a Shriner. Have you figured out what I'm getting to yet?

I'm talking about when Minnesota comes to Lincoln. Yes, I'm talking about the Outreach Clinics we host in the fall and spring. Although I have missed a few, I find this to be one of the most rewarding activities that we get to be part of as Shriners. No matter how bad things seem to be in your life, spending a morning or afternoon with these children and their various orthopedic issues, will certainly put things into perspective for you. These children are so full of energy and happiness that it is hard not to feel selfish for wallowing in your own concerns.

I guess the biggest message I'm trying to convey is, when you really think about it, our problems seem rather insignificant in comparison to what some of these children deal with just to have a sense of normalcy in their lives. Just some thoughts I wanted to share. Thank you!

Scott "Lumpy" Gossett

## Material for FEZtivities

A reminder that materials for the Nov/Dec issue are due to Laura by October 20. Also, if you go to a Shrine event and you snap a few pictures, feel free to email them to: [laura.strimple@hotmail.com](mailto:laura.strimple@hotmail.com).

## - CONGRATS JOAN!!! -

Sesostris Shrine celebrated the retirement of Joan Sinkule at the FAC on July 28th, 2017. Joan has been an integral part of the office staff for the past 14 years as a receptionist and secretary.

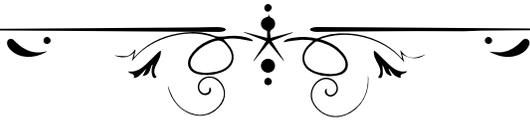

She started, briefly, as a volunteer and was soon offered a permanent position. Joan has promised that she will still be ever-present at Shrine events. Joan has been a great supporter of Shrine activities over the years and has put in more than “part-time” hours in her job. We wish her the best in retirement and all her future projects and plans!

## - CHUCK SMITH - KEEPING TABS ON SESOSTRIS

Chuck Smith is a Shriner, through and through. He has been an active member since 1992 and proudly displays his membership in Sesostris outside his room at Henderson Healthcare Center in Henderson. Noble Chuck contacted Ill Sir Drew Borske and said that he, his fellow residents and staff have been saving pop tabs for “our kids” and he needed some help getting those tabs to Shriners Hospitals for Children - Twin Cities. Tabs collected at the hospital are recycled for cash, which helps to cover the cost of wheelchairs for the children.

Drew and lady Laura drove out to Henderson to pick up the tabs and visit with Chuck. Chuck keeps himself busy with his pencil coloring and artistic drawings (see picture). He also enjoys reading the FEZtivities to keep up with all that is happening with Sesostris. Thank you Chuck for saving tabs for our kids!

# SESOSTRIS GUN CLUB

The Sesostris Gun Club is planning opportunities for Sesostris members to do some fun and safe shooting.

We start October 1st with a concealed handgun permit course. The instructors at Nebraska Shooters will again be leading the class with the assistance of the gun club's NRA-certified range safety officers.

The class meets all requirements to get your Nebraska concealed handgun permit from the state of Nebraska. Such permit is honored in 33 States. The class also includes a hot lunch. Each student will need a reliable handgun, holster and belt. You will also need 100 rounds of factory ammunition. The Sesostris members and their immediate family will enjoy a \$30 discount on this class.

The gun club will also offer a Halloween fun shoot October 29th. Let the gun club help guide you with a fun day of shooting safely with a little friendly competition. All firearms and ammunition

provided for competition. \$30 covers the safety orientation and one entry to shoot all the stations and a meal. Additional tickets can be purchased for more ammunition. After the stations are complete a pumpkin carving challenge can be entered.

The gun club will assist you in carving a pumpkin, not with a knife but a pistol. \$10 covers the cost of your pumpkin and ammunition. We also will have several fully automatic Firearms available for those who want to feel some real freedom and cut some rounds loose at high speed. These will be \$20 per magazine, so Reserve enough to try each model twice.

## - SESOSTRIS CRUIS'N CLASSICS -

The past few months were busy for the Cruis'n Classics. We have been attending many parades, went on our annual mystery cruise, collecting recyclable metals, and held our Auto Show fundraiser.

In June the Cruis'n Classics went on our annual Mystery Cruise. 35 members met at the Shrine Center and had breakfast, thank you Chef Curtis and Evelyn Paul! With our bellies full, we hit the road to places unknown to most of us. Our first stop was in the town of Greenwood. We visited the Bakers Candies store, where many purchased delicious treats. We headed back on the road and headed east to the little town of Malvern, IA, where we had lunch at the Classic Cafe.

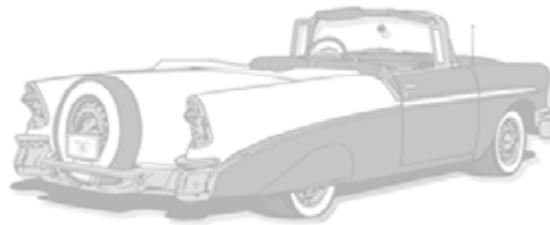

After lunch we got back on the road for a short little drive to the town of Red Oak, IA. While in Red Oak we visited and toured the Montgomery Country Historical Center. They had many local artifacts on display. In one room they had a large Christmas village on display, there was over 100 little houses and shops! Also a local Masonic lodge met in this building and so we could see a lodge room. After the tour we headed east to our final destination of Winterset, IA. We checked into the hotel and everyone was on their own for the evening.

The next morning, everyone had breakfast at the hotel and then we head out to tour the town and a few of the Bridges of Madison County, our first stop was at the Cedar Covered bridge. It is the only bridge that vehicles could go across, however in April it was nearly destroyed by being set on fire. After viewing the burnt bridge we headed to the town square, where everyone could visit and shop at the stores around the square. Also a few walked over to the birthplace of John Wayne. We then had lunch at the Northside cafe. After lunch we headed over to a local park and visited the Cutler-Donahoe bridge. While there we took a group photo and a few of us went through the maze in the park. After that we took a short little drive to visit the Imes Bridge. Then everyone had a little time on their own to do what he or she wanted

to do. Some went to a local winery, while others went back and socialized at the hotel.

During the evening we met for dinner at a local restaurant and Lady Jill Wienke recited her mystery cruise poem. After dinner everyone headed back to the hotel and enjoyed the evening with their fellow Shriners and ladies. Thank you to Paul and Barb Campbell and Roger and Mona Wells for planning the relaxing weekend.

After the mystery cruise the efforts turned to our annual Cruis'n Classics Auto Show. On Sunday, July 30th the Shrine Center was opened for the fundraiser. It was a pretty nice day, and we had our largest show to date, we had 182 cars, trucks and motorcycles on display.

Everyone enjoyed showing off their entry, participating in the raffles, 50/50 drawings, buying a T-shirt and enjoying the concessions. Most went home with a trophy. Thank you to everyone that helped in any way with this year's show and a big thanks to our sponsors that make it a great success.

We look forward to our next couple of Don and Millie's evenings and we encourage everyone to come out and enjoy the evening with their fellow Shriners. (4th Wednesday of the month at the South 56th location from 4 to 8 p.m.). In the meantime we are continuing to collect recyclable metals and we thank anyone that has and or continues to donate to these efforts.

We now turn our attention to the upcoming Sportsman's raffle, where the Cruis'n Classics will be helping out by getting corporate sponsors and selling tickets. The day of the raffle the unit will be raffling off a Portable Grill and Steaks. Tickets are only a \$1.00 each or six tickets for \$5.00. See a Cruis'n Classic member to purchase your tickets. That's it for now, gotta get cruis'n along to the next event.

# DEADWOOD

---

---

Deadwood. What comes to mind when you hear this? Perhaps you think of an old western movie. Or you think of the town in South Dakota. I am going to give you another thought on this.

On a warm July morning after I had returned from the Imperial Session in Florida I realized I needed to get to work in my yard. I looked at a bush that sits at the corner of my kitchen window. This was brought home by my daughter when she was a 3rd grader. This plant was a gift from Arbor Days at Lincoln Public Schools. Every year a tree is sent home with a school child to be planted and nurtured. So this is a plant which has a lot of meaning to me and I have always taken a lot of pride in keeping it looking good over the decades.

I had noticed a few days earlier that some leaves had turned yellow and now these leaves had fallen to the ground. On closer examination, I realized that an entire branch was dead all the way to the ground. There was only one thing to do. That would be to

cut it out! By removing it, new growth would happen and the bare spot would fill in.

In a way, this reminds me of our Sesostris Shrine Temple. If we allow ourselves to become “deadwood”, we inhibit the health and growth of our temple body. It does not mean that if we become inactive we are considered “deadwood”. To me “deadwood” would be those who accept positions and do nothing. “Deadwood” would be one who is negative to all ideas, whether it is a good idea or a bad idea, without giving consideration to both sides of a discussion.

So I urge you not to become “deadwood”. Be a living branch on this living organization we call Sesostris Shrine. Be the positive force with new ideas. Always give a new idea a chance before condemning it. Keep Sesostris alive for generations to come!

## FEZtivities Donations - Needed -

**Please support your publication!**

**Nobles and ladies,**

For many of you, the FEZtivities is a great resource for knowing what is happening throughout the year.

I appreciate all the assistance that goes into supplying articles and photos, as well as the advertising for events and businesses.

For several years now, we have asked for a donation to help offset the cost of printing.

We are again asking for a donation of \$18 dollars. That donation is completely voluntary.

Many Shriners and their ladies give more.

To all of you who contribute to the FEZtivities throughout the year, both through content and financially, I thank you!

Laura Borske
