A Message From Your Potentate

As you get this last issue of the FEZtivities for the year, one has to wonder, "Where did this year go?" We just finished CSSA in Sioux City, IA with about 80 of our members attending and or competing. See CSSA competition results on page 20. Thank you all for being a part of CSSA 2019. I hope all that went enjoyed the trip.

The Sportsman's Raffle will be completed by the time you get this edition and we hope that we have a great raffle. As of this writing, we are slightly ahead of last year.

Our Halloween Party and Boo at the Zoo will also just be completed. They are always fun events at Sesostris.

To finish out the last two months, we will have many events as follows:

- Nobility Ball - November 9 and 10. We sure hope to see you there. Our theme this year is "Thanks for the Memories" as Nancy and I thank all of Sesostris for many great memories.
- Recognition Night - November 15. Come join us as we recognize these great Sesostris accomplishments for the year.
- Indoor Ice Fishing Tournament - November 24. This is a new event you won't want to miss. See more information in this FEZtivities on page 12.
- Comedy Night with Comedian Randy Riggle - December 28. Randy has been nationally touring comedian since 1982. He has a combination of innovative style, quick wit and brilliant impressions. His nostalgia show goes way back to comedian Red Skelton. Now days we sure need a good laugh, so if comedy is your thing, plan to attend. See more information in this FEZtivities on page 17.

Of course there will be many holiday parties to attend during December. Many are listed on the FEZtivities calendar. Well that's all folks from your Sesostris Potentate, "Hope your year has been Fantastic".

- SESOSTRIS CRUIS'N CLASSICS -

Jeff Eggerling, Secretary

It's hard to believe that another year is coming to an end soon. As we finish out this year our activities have included the Sportsman's Raffle, Don and Millie's cruise nights, and the Shrine Halloween Party.

The Cruis'n Classics also attended CSSA Sioux City with nine vehicles showing in the Original, Commercial and Sports car classes. The unit was rewarded with two 2nd place trophies, and one 3rd place trophy. Congratulations to everyone that went and showed. Everyone had a wonderful time, and we are looking forward to attending CSSA next year in Springfield.

The Nobility Ball, Recognition Night and the

many holiday parties are still coming up as we close out the year. As always, a great "BIG" thanks to all the members and ladies who helped with all of our fundraisers and activities and those who supported our unit throughout the year.

As the upcoming holidays are soon here, that means many holiday parties will follow. So, when your club and/or unit holds their party, remember to save the aluminum cans. Funds from each aluminum can that is saved and donated goes back to the Shrine. If you have any additional metals to donate contact the Cruis'n Classics Captain. Well, that is all for now as we cruise out this year and into 2020.

SESOSTRIS CUSHMAN EAGLES

The CUSHMAN EAGLES MOTOR SCOOTERS are again participating in Sesostris parades this year and dialing up to be even more aggressive next year.

The newly elected officers for the upcoming year include Captain Jeff Douglas, Lt. Harry Lipert. Secretary Steve Nelson, and treasurer, Steve Carper.

The CUSHMANS are pleased to announce two new members in Dan Dolin and Mike Wiltse while Jeff Buhrman and Bo Heidtbrink are interested in becoming members and riding with the best. So next year, you will see seven to ten new CUSHMAN riders participating in the parades. We are still looking for additional Cushman Eagles to purchase, so if you know of one sitting in a

garage, let me know and I'll purchase it for the club. Call Harry Lipert 402-488-7507.

The CUSHMAN annual Christmas party was held in October (before the snow birds leave) and those that attended had a festive time with only one sliding under the table.

It was decided at our last meeting, the CUSHMAN Club will go dark December, January, and February. Steve Nelson will take control of the socials after February and decide when the socials will be.

Remember to check your spark plugs.

Lt. Harry Lipert

NEBRASKA SHRINE CLUB FALL MEETING SEPTEMBER 12, 2019

SESOSTRIS SHRINE WIDOWS ASSOCIATION

Correspondence, Marolyn Robson

Greetings form my new apartment. Apartment #310 c/o Nebraska Masonic Home, 1300 D Street, Plattsmouth, NE 68048. Write to me, I don't text yet! I am certain a grandmother will be an eager teacher for me, and just knows that I can do it and like it. We will see.

I went to a social hour sponsored by the Papillion Masonic Lodge, cookies and beverage — Sherrie Smith and visited in the lounge while Past Worthy Grand Patron Denny Smith attended the lodge meeting. The Smith's are new residents, so many of you may know them. Also, I had a nice visit with the Wehrbeins, Past Grand Matron Judy and Gene, their home is in Plattsmouth. I started my friendship with them through Job's Daughters years ago.

I will be looking forward to the Beauceant meetings in Papillion and Omaha, also an event or two in Omaha that the

Daughters of the Nile have on their calendar. So I will have some social events that I can look forward to— the membership always escort us to the meetings.

The new members are such a joy to our Association. Joining us may have seemed like a big decision, however you have a place you haven't been, and trust you will find happiness with us. "The secret of happiness is not in doing what one likes, but liking what one has to do."

In closing I found this saying and I'm certain you will recall having used this at some time or remember hearing of it.

"Once I heard a saying,
And I wish you knew it too
T'was trouble, never trouble, troubles you!"

Remember to wear your Widow's pin.
Until next time with love and friendship,
Marolyn

DAUGHTERS OF THE NILE

Fall Greetings from the Daughters of the Nile,

Fall brings an opportunity to gather around bowls of chili soup and cinnamon rolls, enjoy the company of friends and share stories of our philanthropy. Our temple is doing just that and hope that FEZtivities readers will join us. We have several events coming up including our membership tea, our annual breakfast and a new family game night. All of these events can be found on our Facebook page, by reaching out to a member or looking at the flyers we've placed at the Shrine Center.

For those who were lucky enough to join our Annual Luau event, we hope you had as much fun as we did. The highlight of the night was hearing that annually

our organization contributes more than **\$1.7 million** to the Shriners Hospitals. With only 137 temples in the U.S. and Canada, including four here in Nebraska, we're pretty darn proud of that accomplishment and are thankful that we get to walk alongside the gentleman of Sesostris in our mission.

As we continue to move forward our goals include membership growth, strengthening our partnership with our Masonic family and supporting those who support us. How do you see yourself fitting into our mission?

Always Listening – ask.

Material for FEZtivities

A reminder that materials for the January/February issue are due to Laura by November 25. Also, if you go to a Shrine event and you snap a few pictures, feel free to email them to: feztivities@hotmail.com.

We don't always get photos of the club and unit events, which would be nice to include in future issues.

CORVETTE CLUB

by Don Woodburn, Secretary

The Corvette unit did well at CSSA. The group showed nine cars and again won the 2nd place trophy. We were proud of the guys who showed the effort and did the work to create spic and span Corvettes for the contest. We shall try to get a bigger group for 2020.

The business of the unit in the last few months included the re-writing of the By-Laws. It was last updated in 2002 and needed some repairs. The major change was to have the unit officers meet the current needs of our group. It took a couple of meetings and votes and some phone calling for the folks who didn't make the meetings, but all worked out for the good of the unit.

The other business was the election of officers for 2020 with the new slate matching the By-Laws changes/updates.

The 2020 officers are:

Captain: Bill Cummins
 LT. : Don Schleining
 Treasurer: John Westland
 Secretary: Rick Otto
 Social Chairman: Jerry Ritchy

Many thanks to the men who served this past year. They did a fine job, especially after the passing of Captain Larry Lewis. Jerry Ritchy took over the unit and got us through a rough patch.

Finally, we are planning our annual early Christmas Party for October 13. Ill. Sir Ole F. and Lady Lynn are hosting a primer at their home, and we hope to have a car show for their neighbors, which Sir Ole states is always a big hit. Then, we are having a social and dinner at the Shrine Temple, with a surprise guest speaker.

Also, I want to wish the new officers a great blessing to have a great year in leadership.

And, remember to always check your lug nuts

Jeff Sowder Elected Imperial Potentate

This Imperial Year Will Focus Primarily on Membership Growth

Jeffrey L. Sowder of Toronto, Kansas, was elected Imperial Potentate, part of the 12-member body that helps govern the Shriners fraternity, during the Shriners' 2019 Imperial Session – held in Nashville, Tennessee, June 30 – July 4.

A Bit of Background

Jeff has lived in Toronto (population 275) his entire life. In fact, four generations of the Sowder family have been residents of the tiny town. He has worked for the family business (which he has expanded to four successful companies) forever and been married to his high school sweetheart, Cheryl, for 45 years. They live in the same 125-year-old house they initially purchased, although they have added to it over the years. Today, the family includes Jeff and Cheryl's two daughters, and their families: Stephanie, her husband, Jamie, and their children, Corinne, Sutton and Reid; and Lindsay, her husband, John, and their sons JJ and Hudson.

Becoming a Mason

Toronto may not have a single stop light, but it has values – Masonic values. The town has been home to a Masonic lodge for 148 years. His father, and several other men Jeff knew growing up, were Masons. "Everyone I looked up to was a Mason. They were all dedicated, successful, nice people," said Jeff. "I always knew it was going to happen for me."

And, of course, it did – when he was 19. Ultimately, he became a leader of Masonry in Kansas. Drawing on his abilities to be focused and determined, Jeff successfully led a fundraising effort to raise \$15 million in four years for cancer research at Kansas University, allowing the school to be designated as a National Cancer Institute, under the name Kansas Masonic Research Institute.

"This put Kansas Masonry on the map," said Jeff. "It was one of the most rewarding things I've ever done."

Jeff served in many Masonic leadership positions in Kansas, including as Grand Master in 1997, as a board member of the Kansas Masonic Foundation for 25 years, and as its President from 2004 to 2011.

Taking the Next Step

Jeff's father was also a Shriner. But the local temple was 100 miles away, in Wichita, Kansas, making it somewhat difficult to be active. Still, Jeff became a Shriner, as well, joining Midian Shriners in Wichita in 1988.

Eventually he became involved in temple leadership, and ultimately, the subject of becoming Oriental Guide and joining the "line," a commitment of five years, came up.

Jeff and Cheryl discussed it and decided to go for it. This was the first of many such conversations, all of which ended with the same conclusion – lead and make a difference.

"I have the greatest Shrine wife in the world – she has been right there, involved, since day one."

He served as Potentate of Midian Shriners in 2004.

Back in the 1990s, Jeff had met and become friends with one of the most beloved and respected Shriners, the late Imperial Sir Jack H. Jones, who invited Jeff to help with the annual Membership Seminar; after a few years of working together, Jack began suggesting Jeff run for the Imperial line. Jeff was elected Imperial Outer Guard in 2009.

The Power of One

When Jeff was working to raise those funds for cancer research, he discovered the power of one – the difference one person can make. That lesson of Just One has become a belief and a guiding force in his life. He has used it to inspire his fellow nobles to, one by one, increase membership, and he will use it throughout his year as Imperial Potentate to remind us all that each one of us matters, has a responsibility to our fraternity and philanthropy, and can make a difference.

Multiply that one by every noble – and it becomes a big difference. Sowder expects to see that difference impact both the enthusiasm and commitment of the nobles and the membership numbers; both are critically important to the future of the fraternity – and the philanthropy.

2018 In Review

New Name, New Service Model

Since 1923, we have provided specialty medical care to children with orthopaedic conditions. In late 2018, we became Shriners Healthcare for Children™ - Twin Cities, changing from a hospital to an outpatient clinic. Our new model incorporates physician visits, radiology, orthotics and prosthetics and rehabilitation along with telehealth and offsite outreach clinic operations. Our surgeons now perform the majority of procedures at Gillette Children's Specialty Healthcare.

More than ever, we are committed to our mission. Your support ensures patients become as healthy, active and independent as possible, regardless of a family's ability to pay. Together we help kids be kids.

At Shriners Healthcare for Children - Twin Cities, children get the specialty care they need. In 2018, you helped kids in the following ways:

Camps and Activities: fun for all

Our care extends far beyond our walls. We organize events and partner with other organizations to provide opportunities for children to explore and grow their potential. Our camps give kids of all ages the ability to have fun and develop lasting friendships while challenging them to push past perceived limits and know that anything is possible.

Outreach: providing care closer to home

Throughout the year, our doctors and staff travel to see patients in or near their own communities. Doing so reduces the costs of travel for families while still being able to visit with our medical professionals. We provide pre- and post-operative exams, physical and occupational therapy and orthotic and prosthetic fittings. We also connect with prospective patients, increasing awareness of our services and mission.

Rehab Services: helping kids be independent

Rehabilitation is an important part of every patient's care. Therapists help children be as independent as possible, tailoring programs to individual needs and developmental abilities. Whether a child is learning to stand or walk, improve wheelchair skills, use a new prosthesis, or recover from injury, our team is here to help.
