# A Message From Your Potentate

What a year! So much has been going on that my head is swirling and having trouble keeping up with the activity. I just returned from the International Shrine Imperial Session along with Chief Rabban Richard Eggerling, Assistant Rabban Dan Johnson, High Priest and Prophet Jerry Pigsley, Legal Counsel III. Sir Rob Kinsey and their ladies. There were 45 pieces of legislation before the Shrine body and some of the discussions were more than just a little intense. The biggest items that took the most time were those involving our hospital system. As you saw in a letter published last month, the delivery of hospital care will likely be changing. We need to keep up with the changing times in overall hospital care and continue to provide the best, world-class care that Shriners Hospitals provides for our kids. As more information becomes available, we will pass it on. A highlight for me came after most of the business was conducted. That is when we met the 2018-2019 Patient Ambassadors, Riley and Lily. We also had the opportunity to speak with Alec from all of the hospital ads. He is a sharp young man.

As with past summers, there have already been a lot of parades. This year we had more requests for Shriners in parades than we could possibly accommodate. Participation from the Nobility has been very good and the communities that we visited have been appreciative of our presence. More parades are on the schedule with the Wilber Czech Festival, Hickman Days, Columbus Days and Norfolk parade, to name a few. Check the schedule online or in the Sesostris office to verify the full list. Thank you to all of the units that have made these events, in order to show everyone what Shriners do.

Sesostris had their first Ladies Night Out event the end of June and a lot of fun was had by all who attended. The performers enjoyed being entertainers and the audience approved of the entertainment, making it a very successful evening. Friday was the annual Nile Luau. All of you that attended know that it was a great time and the food and entertainment were top-notch. Kudo's to all the Ladies of the Household who prepared the event. Then the Iron Nobles had their 2nd Annual Shrine Stock with a beer garden in the north parking lot. It was bigger than last year and by all accounts, a great success. At least I had fun. We had 45 Nobles, ladies and guests travel the Rhine River for the 2018 Potentate's Trip. It was hot, but was a fabulous time. Everyone on board the S.S. Antoinette was treated like royalty with excellent wine, beer and food. We saw wonderful sites and met lots of new friends. Now, we are preparing for the 2018 C.S.S.A. Convention which will be in Branson and we hope to bring back more good reports of people having fun.

As we look forward to finishing out the year we will be having the Sesostris Sportsman's Giveaway. This has become a big event and our biggest fundraiser. The committee has been working hard to make this a success and with everyone's help I think that we can have the best year ever. On October 25, we will have the annual kids Halloween Party followed by the Fall Ceremonial on October 27. Also, don't forget to reserve your table for the Joseph Hall New Year's Eve Party. So far, the Membership Committee tells us the that new petitions have been slow coming in. To keep membership moving we need new Nobles, so your help is needed to recruit. Call Steve Bussboom if you need help.

Lady Lynn and I have been enjoying a very busy year and have had fun with the many events we have attended. Thanks for your excellent work. Remember, "the miracle is this, the more we share, the more we have." That is a quote we have been using all year and something that all Shriners stand for.

# WILBER CZECH FESTIVAL

## AUGUST 5, 2018

# Sesostris Gun Club

It has been a busy summer for the Sesostris Gun Club. We have just completed another fundraiser -- a defensive pistol class at Nebraska Shooters. Nobles Justin Grusing and Bob Howard instructed 10 students for a fun day on the range.

This class is for the students that have passed the Concealed Carry prerequisites but find it difficult to practice. Most of Lincoln's gun ranges do not allow drawing and shooting.

We started with the techniques of a slow, smooth draw and as the drills progressed, so did our speed. We also covered many malfunctions that can happen to your pistol. We practiced safely clearing the problem and getting back to hitting the target.

We ended the day with the NRA qualification for the class, which was all timed and graded on accuracy.

I have found these classes have definitely helped me with the pistol competition at GSSF and Rock Your Glock. It also makes me proud that our members show up to these events and safely and comfortably handle their guns.

## AUGUST 4, 2018

## Calling all Witches and Warlocks...

We are in need of some items for our Halloween Apothecary.

We are looking for:

- Bottles and jars
- Skulls and bones
- Old brooms
- Cauldrons
- Spiders and webs
- Old metal objects.

Basically, if it looks old and it screams "Halloween," we'll use it!

If you want the item(s) returned, be sure to include your name on them.

We will be utilizing them for our annual Halloween Party on October 25.

Becky Johnson can be contacted for more information about this project -- 402-525-8545.

# BOO AT THE ZOO

Greetings Nobles and Ladies!

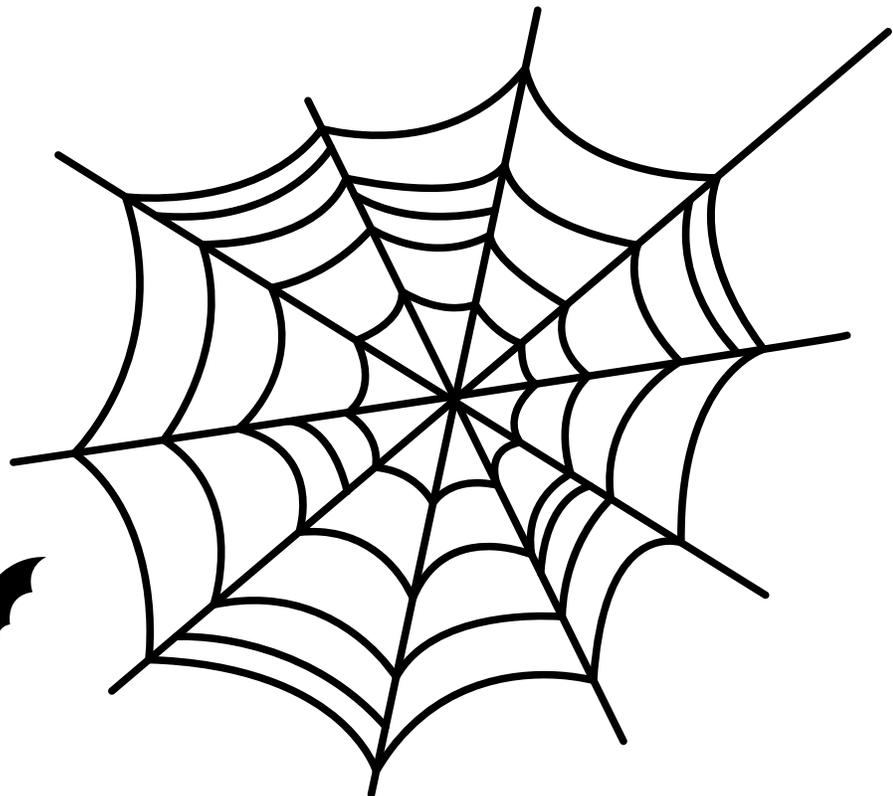

I have the privilege of announcing a new event for us this year. Your Divan has come up with a new idea to spread the word about our great philanthropy -- who we are and what we do. In the past we have been participating in what we called Hospital Awareness Days or the Paper Drive. This is where we would find a business that would allow us to be outside and distribute our newspapers containing information about Shriners. Unfortunately, over the years, interest in this event has waned tremendously and we have been struggling as how to fix it or replace it. Bill Cummins came up with the suggestion to work with the Lincoln Children's Zoo and their "Boo at the Zoo" event. Partnering with the Zoo will allow us to encounter more than 18,000 children over the course of five days.

The plan is to have a decorated booth run by Nobles and their ladies for five evenings with some, if not all, in costume and Fez, and hand out candy and information about what we do as Shriners. We will be part of the largest family-oriented Halloween

event in the city of Lincoln. We feel this will be a good way going forward, to let the public know all about Shriners. This year's event will start on Friday, October 26 and run through Tuesday, October 30. The booth will be open from 5:30 p.m. till 8:00 p.m. We are planning to have volunteers meet at the Shrine Center and then transported to the Zoo. With such a large event, parking may be difficult. At the conclusion, volunteers will be taken back to Shrine.

We are in the planning stages of this event and are hoping that the Nobility will provide us with some ideas for the booth. I thought a theme for the booth would be a good idea and costumes could be shared. We are wide open for any and all suggestions. We would like to have a good quality setup, Shriner-style. I am confident that as a group we can do this with ease.

Please contact your Oriental Guide Dale Brambila. I will be looking forward to hearing from you.

## SESOSTRIS MUSTANGS

Herb Kuster, Captain

It was hot and humid, with thunderstorms in the forecast, when the 2018 MCA National Mustang Show, hosted by the Capital City Mustang Club, came to the Pinnacle Bank Arena for their Mustang Car Show July 13-15, 2018. The Sesostriis Mustangs asked and they were invited to be a part of the show for a 50/50 Drawing for their unit. The Mustangs were also a part of the Mustangs 50th Anniversary Celebration in 2014.

We met a lot of nice people who were not only generous with their money but took time out of their schedule to visit with us. Needless to say, we heard a lot of Mustang stories. Even though we weren't officially one of them, they all made us feel welcome and we appreciated them visiting Lincoln and Nebraska.

The Mustangs also connected with some former hospital patients from other Temples (these two patients had not met each other before). The patients and their families told stories on how they had become Shrine patients and they expressed their appreciation for all that the Shriners had done for them.

A couple of the members displayed their Mustangs at the show and the unit did a 50/50 Drawing. We're not a big unit, but in spite of the temperature, we did some fundraising for the unit. We would like to thank the members who came out in the heat to participate in this event.

## Jim Cain Elected Imperial Potentate

Jim Cain of Nashville, Tennessee, is currently serving his 11th year as a member of the Boards of Directors for Shriners International and Shriners Hospitals for Children®. Cain was elected Imperial Potentate, part of the 12-member body that helps govern the Shriners fraternity, during the Shriners' 2018 Imperial Session – held in Daytona Beach, Florida, July 15 - July 19.

During his years as a member of the Board of Directors, he has served on several committees and as Chairman on many, including Salary, Personnel & Retirement; Planning; Clinical and Basic Research; Medical Affairs; Informational Services and Marketing and Communications. In addition, he has been the Liaison Officer to the Boston, Cincinnati, Honolulu, Shreveport, Springfield and Tampa Shriners Hospitals' Boards of Governors.

### The Importance and Influence of School and Family

Cain is a native and life-long resident of Nashville, Tennessee. His parents both had polio; his father used homemade crutches and his mother had a wobbly, unique way of walking. Even so, they raised four children, instilling in them the importance of perseverance, hard work and family. And they had fun – Cain and his dad enjoyed playing catch. "You had to throw the baseball straight to him; he was balanced on his crutches," said Cain. His dad passed away when Cain was 14.

Cain graduated from Hume Fogg Technical High School, Nashville's first public school, where he studied drafting. One of his fondest memories is looking out the window during class and watching the Shriners ceremonials across the street. "They'd come in their police cars, with the ball and chain. It was crazy," he said. "I wondered who would want to belong to anything like that."

He also met his future wife, Patsy, while in high school. Married at 18 and 17, they celebrated their 50th anniversary in August 2017. They had their two children – Janice and Jim Jr. – by the time they were 21. Cain recalls those early years as something of a struggle, with both he and Patsy working, sometimes at multiple jobs. However, he also said, "We've always tried to make life fun. We worked hard, and we were blessed."

### Working for the Railroad

Cain went to work for the L&N Railroad in 1969 and was a locomotive engineer for 12 years. He then became involved in railroad safety efforts and community programs, including Operation Lifesaver, which stressed the importance of following precautions when near railroad tracks or crossings. He also served as a lobbyist for the railroad industry for the state of Tennessee.

### A Reason to be a Mason

While at the railroad, he became friends with a Mason. As he learned more about the Masonic values and philosophy, Cain saw "a genuine outlook for being a better man and doing for others."

Once he became a Mason, Cain's lodge had an immediate need for leadership, which he filled. By the next year, he was treasurer of the lodge. He became a member of Al Menah Shriners in Nashville in 1995 and served as Potentate in 2006.

### Guided by Experiences and Values

At the core of Cain's life and beliefs is his concern and compassion for others. "I watched Mom and Dad struggle; and I watched people help them. I wanted to give back."

Those values will serve and guide Cain as he leads Shriners International this Imperial Year.

"People with challenges are near and dear to my heart. I have spent my life around people who try really hard in the face of adversity.

"My dad never saw a doctor. My mother could have been helped with braces. What we can offer today, through our philanthropy, is truly amazing – we need to share that with as many children as we can.

"I also want to unite the fraternity – together we can fix anything – together we can do anything we need to do. It's not about any of us individually – it's about our beloved fraternity and philanthropy."

**Shriners International**

## Remembering Hospital Patient Coordinator Mary Ann Townsend

Sadly, we lost a key member of our Sesostris front office in April. Mary Ann Townsend was an integral part of what we did as Shriners and Shrine ladies -- ensuring that our patients received the best care possible through Shriners Hospitals. Below are some thoughts, graciously shared by those who worked closely with Mary Ann through the Twin Cities hospital.

Mary Ann has been the "go to" person for our hospital over many years. When our social workers ran into a problem, Mary Ann was called to find a fix. When a patient had a unique request, Mary Ann found a solution. She organized, energized, and brightened every activity that I experienced. She was Big Red to us. She never said "no" to a request to help. And she was an immovable force. Mary Ann got things done in a way that we could all be proud. We miss her every day. Charlie Lobeck, Administrator

I enjoyed working with Mary Ann on organizing the Lincoln Outreach. She was flexible and helpful. Always willing to work with me. I am glad I was able to stop in and see her in the hospital in the fall when we were there. Mary Pat, RN (and frequent outreach visitor)

Mary Ann was my first point of contact at Sesostris when I first began work here at SHC-TWI 5+ years ago. I didn't have any idea of who my hospital representative was or what the patient recruitment working relationship had been like prior to coming on board at the hospital. Mary Ann patiently answered all of my questions and was so helpful in bringing me up to speed so that the hospital's connection with Sesostris was maintained smoothly without pause and that, most importantly, our patient recruitment efforts remained active. Her work at Sesostris changed the lives of many children. She kept the Sesostris/Hospital connection strong and was a wonderful patient advocate. Her legacy will always live on for those of us at Shriners Hospitals for Children - Twin Cities who had the opportunity to work with her. She is irreplaceable and is already missed by many but we are forever grateful for her many years of service and support in fulfilling our shared mission of providing high quality orthopaedic medical care to children regardless of ability to pay. Erin Jurkovich, Director of Professional Relations

Mary Ann and I worked closely together for many years at Sesostris Shrine. We each enjoyed our "unique" personalities - we often gave each other a hard time. For a Noble, she was "the lady in know" about what was

happening. During my years on the Divan and as Potentate, Mary Ann's knowledge was immeasurable in keeping me up-to-date with all the facts and figures about our Shrine patients in Sesostrisland. If I needed any materials to share with the Nobility and their ladies, she always made sure I had them at the ready. Honestly, I did not realize how much she did for our patients, Temple, and Shriners Hospital for Children - Twin Cities until I served on the Board of Governors for the Twin-Cities Hospital. They had many stories about how Mary Ann was a miracle worker when it came to solving difficult situations. Their kind words made me very proud to have her on our Sesostris team. I will miss our playful banter and remember her dedicated heart. Ill Sir Drew Borske, Past Potentate 2009.

## Twin Cities Hospital Update

It's been a busy year for the Twin Cities Hospital (TWC). It's been filled with summer camps and outreach clinics. The summer camps have become vacation destinations for patients and their families. I'm just so impressed with the many activities that the hospital staff organizes for the kids. This year, they even offered a camp where kids of all abilities got a chance to water ski. When people think of hospitals, they usually think cold and clinical. Shriners is much, much more.

In addition to all of the camps and other activities, the Board of Governors (BOG) has been working overtime as well. As previously mentioned, the current model of service that the hospital provides needs to change. We no longer have the need to provide inpatient surgery at TWC. The surgeries that our doctors provide no longer require the long overnight stays like they did 20 years ago.

Because of those changes, the model of service that TWC provides is transitioning to a clinic/rehab facility. In this model, any surgeries and overnight care would be provided at another local children's hospital. Our surgeons would be able to provide these surgeries at that location. Outpatient care would continue at TWC. This will be the first clinic/rehab operation in the Shrine hospital system.

As a clinic, we will continue to provide rehabilitation, prosthetics/orthotics, and radiology, as has been done in the past. While the exact timing of all the changes is not confirmed, in-house surgeries are expected to be final at the end of the year. TWC is in negotiations with local area hospitals as we speak and TWC will also collaborate with the Shriners hospitals in Chicago and St. Louis. At some time in 2019, we will move the clinic/rehab to a different site in the Twin Cities as the current facility will be too large for what we will need.

Another exciting opportunity for TWC will be the chance to provide our Shrine care to more kids as we look to expand this clinic/rehab facility to at least two other cities in the TWC service area. Hopefully, our patients won't have to go all the way to Minneapolis to receive their outpatient care needs.

While the service model at TWC is changing, our goals for the kids has not. We want to focus on outpatient care, extending direct patient service to more locations, creating more points of access for our patients and reducing the overall cost of operations, while at the same time, increasing the number of kids we serve.

*Naphis Temple No. 66*

## *Daughters of the Nile*

*Sharon Yockers, Queen  
Jennifer Olsen, Princess Tirzah*

Wow, can you believe summer is over? It has been a busy one for Naphis Temple. Starting in June, several of us attended Supreme Session and the Installation of Shirley Henley as Supreme Queen, held in Cincinnati, Ohio. What an experience!

July was our first Quarter Auction of Queen Sharon's year. What a fun time we had! Summer ended with the Annual Nile Luau, where we had a "buzzingly" good time, celebrating Queen Sharon. Things aren't slowing down for Naphis Temple though. We go into fall with a full agenda of events, starting with another Quarter Auction, September 9 at the Shrine Center. Doors will open at 1:00 p.m., so bring your quarters and have a great time supporting Naphis Temple.

On September 23, we will hold our Bunco Event at the Scottish Rite, from 2:00 p.m. to 4:00 p.m. No experience is necessary to participate in this event, so be sure and attend.

Moving into October, we are pleased to have the Supreme Queen, Shirley Henley here to attend our ceremonial on October 5, with a social and banquet following at the Scottish Rite.

Please attend and bring greetings to Her Supreme Majesty.

This takes us into November with a Honey of a Candy class on November 3 and another Quarter Auction on November 4. Oh yes, and don't forget to purchase you're All Temple Raffle tickets for a chance to win two tickets to the Nebraska vs Michigan State game on November 17, plus a \$50 gift card and surprise gift basket. The winner will be drawn during her Supreme Queen's dinner on October 5 though, you need not be present to win. The price is only \$1.00 or you can purchase six tickets for \$5.00.

As you can see, Naphis Temple No. 66 is a busy "bee hive" of activity, working for the Shrine Kids.

Giving thanks to Sesostris Shrine for their continued support of our Temple and its activities...

In Nile Love,  
Cathy Schultz  
Princess Badoura
